

# FIREARMS RECORD BOOK, 1 PACK

[Gunsmith Tools & Supplies](#) > [Shop Accessories & Supplies](#) > [Firearms Records Books](#)

Required by every business that buys or sells firearms. And, now updated with the latest information about the National Instant Criminal Background Check System (NICS). Describes specifically how to enroll in and comply with NICS, plus gives a correct, permanent record of all purchases and sales of firearms as required under the Gun Control Act of 1968. The format used has been approved by the Bureau of Alcohol, Tobacco and Firearms of the U.S. Department of the Treasury. The book contains 48 pages; has 440 entry lines; and a reprint of ATF P 5300.15 (1/89) detailing FFL rules and regulations; plus a guide, with examples, to filling out the record entries correctly. Punched for any 2 or 3 hole, or post binder. Revised in late 2022 to include: Increased Record retention time frame from 20 years to entire duration of business Addition of "privately made firearms" to the description of firearms section.

# FIREARMS RECORD BOOK SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Firearms Record Book. This product is essential for businesses that engage in the buying and selling of firearms. It is designed to help you maintain accurate records in compliance with the Gun Control Act of 1968 and the National Instant Criminal Background Check System (NICS). This guide provides important safety instructions to ensure the secure and effective use of this product.

## General Safety Guidelines

- Ensure that the Firearms Record Book is stored in a secure location to prevent unauthorized access.
- Keep the book away from children and vulnerable individuals to avoid misuse.
- Regularly check the book for any signs of damage or wear that may affect its usability.
- Always comply with local laws and regulations regarding firearms recordkeeping.

## Specific Safety Precautions for Use

- Before using the Firearms Record Book, familiarize yourself with the contents and layout to ensure correct usage.
- Use a pen or permanent marker to fill out the record entries to prevent any alterations or erasures.
- Do not use the book for any purpose other than its intended use, which is to maintain records of firearms transactions.
- If you notice any discrepancies in your records, address them immediately to maintain compliance with legal requirements.

## Instructions for Installation and Usage

### 1. Storage:

- Store the Firearms Record Book in a cool, dry place to prevent damage.
- Ensure it is kept in a locked area if necessary.

### 2. Filling Out the Record:

- Use the provided entry lines to document each firearms transaction.
- Follow the guidelines for enrolling in and complying with NICS as specified in the book.
- Ensure that all entries are complete and accurate, including the date of transaction, firearm details, and buyer/seller information.

### 3. Reviewing Entries:

- Regularly review the entries for accuracy and completeness.
- Make corrections as necessary, but do so in a manner that maintains the integrity of the record.

### 4. Retention:

- Retain the Firearms Record Book for the entire duration of your business operations, as per the updated guidelines.

## **Disposal Instructions**

- When the Firearms Record Book is no longer needed, ensure that it is disposed of securely to prevent unauthorized access to sensitive information.
- Shred or incinerate the book to ensure that all records are permanently destroyed.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Firearms Record Book, please refer to the contact information provided by your supplier or manufacturer. Ensure that you have access to assistance should you need clarification on any aspect of the product.

By following this safety instruction guide, you can ensure that you are using the Firearms Record Book in a safe and compliant manner. Your adherence to these guidelines is crucial for maintaining the integrity of your firearms transactions and for complying with relevant regulations. Thank you for your commitment to safety.
