

# SUPER DUTY PIPE CLEANERS - PIPE CLEANERS, PACKAGE OF 360

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Specialty Cleaning Brushes](#)

## Unique Bristled Cleaners Scrub Holes, Slots, Grooves

The best cleaners we've found for pin and screw holes as well as slots and grooves. Recommended to us by Thomas Getzen, they have tough plastic bristles worked into traditional pipe cleaners. Think of them as tiny scrub brushes with built-in mops. After the bristles loosen dirt and fouling, the mop holds all that crud and carries it out of the hole. Available in package of 360 or box of 720.

# Safety Instruction Guide for SUPER DUTY PIPE CLEANERS

## Introduction

Thank you for choosing the SUPER DUTY PIPE CLEANERS. This guide provides important safety information and instructions for the proper use of this product. Please read this guide carefully to ensure your safety and the effective use of the pipe cleaners.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning pin and screw holes, slots, and grooves.
- Keep the product out of reach of children. It is not a toy and should not be used by individuals under the age of 12 without adult supervision.
- Inspect the pipe cleaners before use. Do not use if damaged or if the bristles are worn out.
- Avoid using the pipe cleaners on surfaces that may be sensitive to scratching or damage. Test on a small area first if unsure.
- If you experience any irritation or adverse reaction while using the product, discontinue use immediately and consult a medical professional if necessary.

## Specific Safety Precautions for Use

- Always wear protective eyewear when cleaning with the pipe cleaners to prevent debris from entering your eyes.
- Use the pipe cleaners in a wellventilated area to avoid inhaling any dust or particles that may be released during cleaning.
- Do not apply excessive force when using the pipe cleaners. Gentle scrubbing is recommended to avoid damaging the surfaces being cleaned.
- Store the pipe cleaners in a cool, dry place away from direct sunlight to maintain their effectiveness and longevity.
- Dispose of used pipe cleaners responsibly. They should not be flushed down the toilet or disposed of in a manner that could cause environmental harm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including the SUPER DUTY PIPE CLEANERS and any additional cleaning supplies you may need.
- Ensure the area you will be cleaning is clear of any obstacles.

### 2. Using the Pipe Cleaners

- Select the appropriate pipe cleaner for the job. The SUPER DUTY PIPE CLEANERS are 6 inches long and 1/8 inch in diameter, ideal for tight spaces.
- Insert the pipe cleaner into the hole or groove you wish to clean.
- Gently scrub back and forth to loosen dirt and fouling.
- After scrubbing, use the moplike bristles to collect and remove the loosened debris.
- Repeat the process as necessary until the area is clean.

### 3. PostCleaning

- Inspect the area to ensure it is clean and free from debris.
- Store the pipe cleaners in their package or box for future use.

## **Disposal Instructions**

- Dispose of used pipe cleaners in accordance with local regulations for waste disposal.
- Do not incinerate or recycle the pipe cleaners if they contain any hazardous materials or contaminants.
- If in doubt about how to dispose of the product, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the SUPER DUTY PIPE CLEANERS, please refer to the manufacturer's contact details provided with your purchase. Ensure you have the product information ready for reference.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using the SUPER DUTY PIPE CLEANERS for all your cleaning needs.
