# Safety Instruction Guide for GG&G Bipod Adapter for M14/M1A

## Introduction

Thank you for choosing the GG&G Bipod Adapter for M14/M1A rifles. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product away from children and vulnerable individuals who may not understand the risks.
- Regularly inspect the product for any signs of wear or damage. If any issues are detected, cease use immediately and replace the product.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the weight limit recommended for the bipod attached to the adapter.
- Ensure that the adapter is securely attached before use to prevent accidents.
- Avoid using the bipod adapter in adverse weather conditions which could affect stability.
- Always handle the rifle with care, ensuring that the muzzle is pointed in a safe direction.
- Use protective gear as necessary when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other tools specified in the product manual.
2. **Remove Factory Plate:** Carefully remove the factory plate located under the barrel of your M14/M1A rifle.
3. **Position the Adapter:** Align the GG&G Bipod Adapter with the sling stud to the rear and ensure it is positioned correctly toward the muzzle.
4. **Secure the Adapter:** Use the provided mounting hardware to securely attach the adapter. Ensure all screws are tightened properly.
5. **Inspect the Installation:** Doublecheck that the adapter is firmly in place and that there are no loose components.

### Usage

1. **Attach Bipod:** Once the adapter is installed, attach your Picatinny-compatible bipod according to the manufacturer's instructions.
2. **Check Stability:** Before using the rifle, ensure that the bipod is securely attached and stable.
3. **Regular Maintenance:** Clean the adapter and bipod after use to prevent corrosion and maintain functionality.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.

- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that all components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the GG&G Bipod Adapter for M14/M1A, please refer to the manufacturer's website or customer support services.

Thank you for your attention to these safety instructions. Your safety is our priority.
