

# FLIP OPEN EYEPIECE LENS COVERS - BUTLER CREEK EYEPIECE LENS COVER #10 1.516" (38.5MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

## Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

# FLIP OPEN EYEPIECE LENS COVERS Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the FLIP OPEN EYEPIECE LENS COVERS by Butler Creek. These lens covers are designed to protect your scope's lenses from dust, moisture, and damage during tactical and hunting situations. This guide provides essential safety instructions and best practices to ensure safe and effective use of the product.

## General Safety Guidelines

- Always inspect the lens covers before use to ensure they are in good condition.
- Use the covers only for their intended purpose. Do not modify or alter the product.
- Keep the lens covers out of reach of children and vulnerable individuals to prevent accidents.
- In case of any malfunction or damage, discontinue use immediately and report the issue to the relevant authorities.
- Stay informed about product recalls or safety updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the lens covers are properly fitted to the eyepiece before use to avoid accidental detachment.
- Do not force the covers open or closed; use gentle finger pressure to operate the flip mechanism.
- Avoid exposing the lens covers to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- If using the lens covers in wet conditions, ensure they are completely dry before storing them to prevent mold or mildew.

## Instructions for Installation and Usage

### 1. Measuring Your Scope:

- Measure the diameter of your scope eyepiece or objective to ensure you choose the correct size.
- Refer to the provided chart to select the appropriate lens cover size.

### 2. Installation:

- Align the lens cover with the eyepiece.
- Gently press the cover onto the eyepiece until it fits snugly. Ensure it is secure before use.

### 3. Usage:

- To open the lens cover, apply light finger pressure to the designated area.
- The cover will spring open, allowing unobstructed view.
- When finished, close the cover by gently pressing it back into place.

### 4. Maintenance:

- Regularly clean the lens covers with a soft, dry cloth to remove dust and debris.
- Store the lens covers in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the lens covers according to local regulations regarding plastic waste.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer usable, recycle it if possible, or dispose of it in an environmentally friendly manner.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the FLIP OPEN EYEPiece LENS COVERS, please refer to the EU-based contact provided on the product packaging or your retailer. Always ensure you are informed about product safety and compliance.

Thank you for prioritizing safety while using the FLIP OPEN EYEPiece LENS COVERS. Your attention to these guidelines helps ensure a safe and enjoyable experience.
