

# FLIP OPEN EYEPiece LENS COVERS - BUTLER CREEK EYEPiece LENS COVER #17 1.675" (42.5MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

## Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

# FLIP OPEN EYEPiece LENS COVERS SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the Butler Creek Eyepiece Lens Cover #17. This product is designed to protect your scope's lenses from damage in various environments, ensuring optimal performance during tactical and hunting situations. This safety instruction guide provides essential information on the safe use of the product, precautions, and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the eyepiece lens cover for any signs of wear or damage.
- Keep the product out of reach of children to avoid accidental injury.
- If the product is damaged or defective, discontinue use immediately and report it to the appropriate authorities.
- Stay informed about recalls or safety alerts regarding this product through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the eyepiece lens cover is securely attached to your scope before use.
- Avoid using excessive force when flipping the cover open or closed to prevent breakage.
- Do not expose the lens cover to extreme temperatures or harsh chemicals, as this may cause damage.
- Use the cover in dry conditions whenever possible to maintain its weatherproof features.
- If using in wet conditions, ensure the cover is properly sealed to prevent moisture from reaching the lens.

## Instructions for Installation and Usage

### 1. Measuring Your Scope:

- Measure the diameter of your scope's eyepiece to ensure you have the correct size (1.675 inches or 42.5mm).
- Refer to the product chart for compatibility with your specific scope model.

### 2. Installing the Eyepiece Lens Cover:

- Align the lens cover with the eyepiece of your scope.
- Gently push the cover onto the eyepiece until it fits snugly.
- Check that the cover is secure and does not come loose during use.

### 3. Using the Eyepiece Lens Cover:

- To open the cover, apply light finger pressure on the edge of the cover.
- The cover will spring open and stay out of the way, allowing for clear visibility.
- When finished, close the cover by gently pressing it back into place.

### 4. Maintenance:

- Regularly clean the lens cover with a soft, dry cloth to remove dust and debris.
- Avoid using harsh cleaning agents that may damage the cover's surface.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it can be recycled.
- Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries related to safety or performance of the Butler Creek Eyepiece Lens Cover #17, please reach out to the designated EU contact point provided on the product packaging or your retailer.

Thank you for following these safety instructions. Enjoy your experience with the Butler Creek Eyepiece Lens Cover and ensure the protection of your scope's lenses.
