

# FLIP OPEN EYEPIECE LENS COVERS - BUTLER CREEK EYEPIECE LENS COVER #18 1.700" (43.2MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

## Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

# Safety Instruction Guide for FLIP OPEN EYEPIECE LENS COVERS BUTLER CREEK EYEPIECE LENS COVER #18 1.700" (43.2MM)

## Introduction

Thank you for choosing the FLIP OPEN EYEPIECE LENS COVERS by Butler Creek. These lens covers are designed to protect your scope's lenses from damage during tactical and hunting situations. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the lens covers are compatible with your specific scope by measuring the diameter of your eyepiece or objective.
- Always inspect the lens covers before use for any signs of damage or wear.
- Keep lens covers out of reach of children to prevent accidental misuse.
- Avoid using the lens covers in extreme environmental conditions that may compromise their functionality.

## Specific Safety Precautions for Use

- Do not force the lens covers open or closed, as this may damage the mechanism.
- Ensure that the lens covers are securely attached to the scope before use to prevent them from detaching during operation.
- Do not expose the lens covers to harsh chemicals or solvents, as this may degrade the materials.
- If the lens covers become dirty, clean them with a soft, dry cloth. Avoid using abrasive materials that may scratch the surface.

## Instructions for Installation and Usage

### 1. Measuring Your Scope:

- Use a caliper or ruler to measure the diameter of your scope's eyepiece or objective.
- Refer to the product chart to ensure you have selected the correct size lens cover.

### 2. Attaching the Lens Covers:

- Align the lens cover with the eyepiece or objective.
- Gently press the cover onto the lens until it clicks into place, ensuring a snug fit.
- Check that the cover is secure before using your scope.

### 3. Using the Lens Covers:

- To open the lens cover, apply gentle finger pressure to the designated area.
- The cover will spring open and stay out of the way, allowing for unobstructed viewing.
- After use, close the lens cover to protect the lens from dust and moisture.

## Disposal Instructions

- Dispose of the lens covers in accordance with local regulations for plastic waste.
- If the product is damaged or no longer usable, please recycle it where facilities exist.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the FLIP OPEN EYEPiece LENS COVERS, please refer to the EU contact point specified on the packaging or product documentation.

## **Conclusion**

By following these safety instructions, you can ensure the effective use of your FLIP OPEN EYEPiece LENS COVERS while minimizing risks. For further information on product safety and recalls, please stay updated through the EU's Safety Gate platform. Thank you for prioritizing safety in your hunting and tactical experiences.
