

FLIP OPEN EYEPiece LENS COVERS - BUTLER CREEK EYEPiece LENS COVER #9A 1.485" (37.7MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

Safety Instruction Guide for FLIP OPEN EYEPIECE LENS COVERS BUTLER CREEK EYEPIECE LENS COVER #9A

Introduction

Thank you for choosing the FLIP OPEN EYEPIECE LENS COVERS by Butler Creek. These lens covers are designed to protect your scope's lenses from dust, moisture, and damage during tactical and hunting situations. This guide provides important safety instructions and recommendations to ensure the safe use and maintenance of your product.

General Safety Guidelines

- Always inspect the lens covers before use to ensure they are in good condition.
- Keep lens covers away from children to prevent accidental ingestion or misuse.
- Ensure that the lens covers are properly attached to the scope to avoid loss during use.
- Follow all local laws and regulations regarding the use of optical equipment in hunting and tactical situations.

Specific Safety Precautions for Use

- Do not use the lens covers if they show signs of wear or damage.
- Avoid exposing the lens covers to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- Ensure that the lens covers are clean and free from debris before closing to prevent scratches on the lens.
- Always store the lens covers in a dry place when not in use.

Instructions for Installation and Usage

1. Measuring Your Scope:

- Measure the diameter of your scope eyepiece or objective to determine the correct size of the lens cover.
- Use the provided chart to select the appropriate size.

2. Installation:

- Align the lens cover with the eyepiece or objective of your scope.
- Press firmly to secure the lens cover in place.

3. Using the Lens Covers:

- To open the lens cover, apply gentle finger pressure to flip it open.
- Ensure the cover is fully opened and out of the way before using your scope.

4. Maintenance:

- Regularly clean the lens covers with a soft, dry cloth to maintain visibility and functionality.
- Check the fit of the lens covers periodically to ensure they remain secure.

Disposal Instructions

- Dispose of the lens covers in accordance with local regulations.
- If the lens covers are damaged or no longer usable, ensure they are disposed of in a manner that prevents environmental contamination.

Contact Information for Further Support

For any safety inquiries or additional support regarding your FLIP OPEN EYEPiece LENS COVERS, please reach out to the relevant EUbased contact point provided by the manufacturer.

Conclusion

By following these safety instructions, you can ensure the effective use of your FLIP OPEN EYEPiece LENS COVERS while adhering to the EU General Product Safety Regulation. Your safety and satisfaction are our top priorities. Thank you for choosing Butler Creek.
