

# FLIP-OPEN OBJECTIVE LENS COVERS - OBJECTIVE LENS COVER #25 1.800" (45.7MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

## Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

# FLIPOPEN OBJECTIVE LENS COVERS Safety Instruction Guide

## Introduction

Thank you for choosing the FLIPOPEN OBJECTIVE LENS COVERS. These lens covers are designed to protect your scope's lenses from weather, dust, and moisture during tactical and hunting situations. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the lens covers are compatible with your scope by measuring the diameter of the eyepiece or objective.
- Inspect the lens covers regularly for any signs of damage or wear.
- Store the lens covers in a cool, dry place when not in use.
- Keep lens covers out of reach of children to prevent accidental use or ingestion.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the lens covers are securely attached to the scope before use.
- Do not force the covers open or closed; use gentle finger pressure to flip them open.
- Avoid exposing the lens covers to extreme temperatures, as this may affect their performance.
- If the lens covers become dirty, clean them with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Measuring Your Scope:

- Measure the diameter of your scope's eyepiece or objective to determine the correct lens cover size.
- Refer to the provided chart to ensure you select the appropriate cover.

### 2. Installing the Lens Covers:

- Align the lens cover with the eyepiece or objective of the scope.
- Gently press the cover onto the lens until it fits snugly.
- Ensure that the cover is securely attached and will not fall off during use.

### 3. Using the Lens Covers:

- To open the lens cover, apply gentle finger pressure to flip it open.
- The cover should spring up and remain out of the way during use.
- When finished, close the cover by gently pushing it back into place.

### 4. Removing the Lens Covers:

- To remove the lens cover, gently pull it away from the scope.
- Store the lens cover in a safe place when not in use.

## **Disposal Instructions**

- Dispose of the lens covers in accordance with local waste disposal regulations.
- Do not dispose of the lens covers in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the FLIPOPEN OBJECTIVE LENS COVERS, please refer to the manufacturer's customer support or website for assistance. Ensure you have the product details handy for a quicker response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your FLIPOPEN OBJECTIVE LENS COVERS.
