

FLIP-OPEN OBJECTIVE LENS COVERS - OBJECTIVE LENS COVER #2A 1.181" (30.0MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

FLIPOPEN OBJECTIVE LENS COVERS Safety Instruction Guide

Introduction

Thank you for choosing the FLIPOPEN OBJECTIVE LENS COVERS. These lens covers are designed to protect your scope's lenses from weather, dust, and moisture during tactical and hunting situations. This guide provides essential safety instructions to ensure the safe use and maintenance of your lens covers in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the lens covers are compatible with your specific scope model. Measure the diameter of your scope eyepiece or objective and refer to the sizing chart provided by the manufacturer.
- Always inspect the lens covers before use for any signs of damage or wear. Do not use damaged covers as they may not provide adequate protection.
- Keep lens covers out of reach of children to prevent accidental ingestion or choking hazards.
- Use the lens covers only for their intended purpose. Avoid using them in any manner not described in this guide.

Specific Safety Precautions for Use

- **Weatherproofing:** While these covers are designed to be weatherproof, do not expose them to extreme conditions for prolonged periods. Remove the covers when not in use to allow for proper ventilation.
- **Moisture Protection:** Ensure that the lens covers are securely in place to prevent moisture from entering the scope. Regularly check for proper fit.
- **Dust Protection:** Clean the lens covers regularly to maintain their effectiveness. Use a soft, dry cloth to wipe away dust and debris.
- **Finger Pressure:** Use gentle finger pressure to flip open the covers. Avoid using excessive force, which may damage the mechanism.

Instructions for Installation and Usage

1. **Measuring:** Measure the diameter of your scope eyepiece or objective to ensure a proper fit. Use the provided sizing chart to select the correct lens cover size.
2. **Installation:**
 - Align the lens cover with the eyepiece or objective of your scope.
 - Gently push the cover into place until it fits snugly.
3. **Usage:**
 - To open the lens cover, apply gentle finger pressure to the designated area.
 - The cover will spring open, allowing for unobstructed viewing.
 - When not in use, ensure the cover is closed to protect the lens.
4. **Maintenance:**
 - Regularly inspect the lens covers for any wear and tear.
 - Clean the covers with a soft, dry cloth as needed.

Disposal Instructions

- Dispose of the lens covers in accordance with local waste management regulations.
- Do not dispose of the lens covers in household waste if they are damaged or broken. Instead, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the FLIPOPEN OBJECTIVE LENS COVERS, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your FLIPOPEN OBJECTIVE LENS COVERS. Always prioritize safety and report any unsafe conditions or product issues to the appropriate authorities. Thank you for your attention to these important safety guidelines.
