

# FLIP-OPEN OBJECTIVE LENS COVERS - OBJECTIVE LENS COVER #21 1.735" (44.1MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

## Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

# FLIPOOPEN OBJECTIVE LENS COVERS Safety Instruction Guide

## Introduction

Thank you for choosing the FLIPOOPEN OBJECTIVE LENS COVERS (Objective Lens Cover #21, 1.735" / 44.1MM). These covers are designed to protect your scope's lenses in various conditions, ensuring optimal performance during tactical and hunting situations. This guide provides essential safety instructions and guidelines to ensure safe use and maintenance of your product.

## General Safety Guidelines

- Ensure that the lens covers are compatible with your specific scope model.
- Regularly inspect the lens covers for any signs of wear or damage.
- Keep lens covers clean to maintain visibility and performance.
- Store lens covers in a dry place when not in use.
- Do not attempt to modify the lens covers, as this may compromise safety and functionality.

## Specific Safety Precautions for Use

- Always ensure that the lens covers are securely closed when not in use to protect against dust and moisture.
- Avoid using excessive force when flipping the cover open or closed to prevent damage.
- Be cautious when handling the covers in extreme weather conditions, as slippery surfaces may pose a risk.
- Keep lens covers out of reach of children to prevent accidental injury or misuse.

## Instructions for Installation and Usage

### 1. Measuring Your Scope:

- Measure the diameter of your scope's eyepiece or objective lens to determine the correct size for your lens cover.
- Refer to the provided chart to select the appropriate lens cover size.

### 2. Installing the Lens Cover:

- Align the lens cover with the eyepiece or objective lens.
- Gently press the cover into place until it fits securely.
- Ensure that the cover can flip open easily with finger pressure.

### 3. Using the Lens Cover:

- To open the cover, apply gentle finger pressure to flip it open.
- Ensure the cover springs up and out of the way without obstruction.
- When finished using the scope, close the lens cover to protect the lenses.

### 4. Cleaning and Maintenance:

- Use a soft, dry cloth to clean the lens covers.
- Avoid using harsh chemicals or abrasive materials that may scratch the surface.

## **Disposal Instructions**

- Dispose of the lens covers in accordance with local regulations for plastic products.
- Do not dispose of lens covers in regular household waste if they are damaged or contain hazardous materials.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For safety inquiries or assistance regarding your FLIOPEN OBJECTIVE LENS COVERS, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your FLIOPEN OBJECTIVE LENS COVERS. Your safety and satisfaction are our top priorities. Thank you for your attention to these important details.
