

FLIP-OPEN OBJECTIVE LENS COVERS - BUTLER CREEK OBJECTIVE LENS COVER #9 1.485" (37.7MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

FLIPOPEN OBJECTIVE LENS COVERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the FLIPOPEN OBJECTIVE LENS COVERS from BUTLER CREEK. These covers are designed to protect your scope's lenses from damage during tactical and hunting situations. This guide provides important safety information and usage instructions to ensure your safety and the optimal performance of your product.

General Safety Guidelines

- Ensure safe use of the lens covers by following all instructions.
- The lens covers are designed for nonfood products and should not be used for any other purposes.
- Always inspect the covers before use to ensure they are in good condition.
- Keep the lens covers out of reach of children to avoid accidental injury or misuse.
- If you notice any damage or malfunction, discontinue use and contact customer support.

Specific Safety Precautions for Use

- Do not force the cover to open or close, as this may damage the mechanism.
- Avoid exposing the lens covers to extreme temperatures or harsh chemicals.
- Use only the recommended cleaning methods to maintain the integrity of the lens covers.
- Ensure that the lens covers are properly secured when not in use to prevent loss or damage.
- Be aware of your surroundings while using the lens covers in tactical or hunting situations.

Instructions for Installation and Usage

1. Measuring Your Scope:

- Measure the diameter of your scope eyepiece or objective to determine the correct lens cover size.
- Refer to the provided chart to select the appropriate cover size.

2. Installing the Lens Covers:

- Align the lens cover with the eyepiece or objective of your scope.
- Gently press the cover into place until it fits snugly.

3. Using the Lens Covers:

- To open the lens cover, apply light finger pressure to the designated area.
- The cover will spring open; ensure it is out of the way before using your scope.
- When finished, close the cover securely to protect the lens.

4. Maintenance:

- Regularly inspect the lens covers for any signs of wear or damage.
- Clean the covers with a soft, damp cloth. Avoid abrasive materials.

Disposal Instructions

- Dispose of the lens covers in accordance with local regulations.
- If the lens covers are damaged or no longer usable, consider recycling them if possible.

- Do not dispose of the lens covers in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any safety inquiries or support regarding the FLIPOPEN OBJECTIVE LENS COVERS, please refer to the EU contact point provided by the manufacturer.

Additional Information

- Stay informed about product recalls or safety updates through the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

By following these guidelines, you can ensure the safe and effective use of your FLIPOPEN OBJECTIVE LENS COVERS. Thank you for prioritizing safety and performance in your tactical and hunting experiences.
