

## FLIP-OPEN OBJECTIVE LENS COVERS - OBJECTIVE LENS COVER #17 1.612" (40.9MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

### Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

# FLIPOPEN OBJECTIVE LENS COVERS Safety Instruction Guide

## Introduction

Thank you for choosing the FLIPOPEN OBJECTIVE LENS COVER #17 1.612" (40.9MM). This product is designed to protect your scope's lenses from damage during tactical and hunting situations. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the lens cover is compatible with your scope by measuring the diameter of your scope eyepiece or objective.
- Always inspect the lens cover for any signs of damage before use.
- Keep the lens cover out of reach of children to prevent accidental injury or choking hazards.
- Do not use the lens cover if it is damaged or shows signs of wear.
- Follow all manufacturer guidelines for safe use and maintenance of your scope.

## Specific Safety Precautions for Use

- Only use the lens cover for its intended purpose, which is to protect scope lenses from dust, moisture, and damage.
- Avoid using excessive force when flipping open the cover; it is designed to spring open with light finger pressure.
- Be cautious when handling the lens cover in wet or slippery conditions to avoid dropping it.
- Do not attempt to modify or repair the lens cover yourself. Contact the manufacturer for any necessary repairs or replacements.
- If you experience any discomfort or adverse reactions while using the lens cover, discontinue use immediately and consult a medical professional if necessary.

## Instructions for Installation and Usage

### 1. Measuring for Fit:

- Measure the diameter of your scope eyepiece or objective to ensure the lens cover fits properly. Use the provided chart to select the correct size.

### 2. Installation:

- Align the lens cover with the eyepiece or objective of the scope.
- Gently press the cover into place until it fits snugly.
- Ensure that the cover is securely attached before use.

### 3. Using the Lens Cover:

- To open the lens cover, apply light finger pressure to the designated area. The cover will spring open automatically.
- When not in use, ensure the cover is closed to protect the lens from environmental elements.

### 4. Maintenance:

- Clean the lens cover periodically with a soft, dry cloth to remove dust and debris.
- Avoid using harsh chemicals or abrasive materials that could damage the cover.

## **Disposal Instructions**

- Dispose of the lens cover in accordance with local regulations for plastic waste.
- Do not dispose of the lens cover in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling the product if possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the FLIPOPEN OBJECTIVE LENS COVER, please refer to the manufacturer's contact information provided on the product packaging or website.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your FLIPOPEN OBJECTIVE LENS COVER. Thank you for your attention to safety!
