

# SAVAGE A17 25-ROUND STEEL LIP MAGAZINE - BUTLER CREEK A17 25RD STEEL LIP MAGAZINE BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

This magazine for the Savage A17 is produced by Butler Creek and is Savage Arms approved. It has an all metal header and feed lips for positive feeding, an anti-tilt follower, and a stainless steel spring. It holds 25 rounds of .17 HMR ammo. It can be loaded traditionally, or by using the red loading assist button on the side. The magazine is aggressively textured for a sure grip and positive control. Two magazines can be connected together for double the firepower.

# Safety Instruction Guide for SAVAGE A17 25ROUND STEEL LIP MAGAZINE

## Introduction

Thank you for choosing the SAVAGE A17 25Round Steel Lip Magazine by Butler Creek. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use this magazine safely and effectively.

## General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine and ammunition out of the reach of children.
- Use only .17 HMR cartridges in this magazine.
- Inspect the magazine regularly for any signs of wear or damage.
- Do not modify the magazine in any way.
- Always store the magazine in a safe and secure location.
- Follow all local laws and regulations regarding firearm and ammunition storage.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when loading and unloading the magazine.
- Do not load the magazine while it is attached to the firearm.
- Use the red loading assist button carefully to avoid pinching your fingers.
- Avoid overloading the magazine beyond its 25round capacity.
- If the magazine does not feed properly, do not attempt to force the rounds. Remove the magazine and inspect for obstructions.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Press the red loading assist button on the side of the magazine.
- Insert the .17 HMR cartridges into the magazine, ensuring they are seated properly.
- Release the loading assist button to allow the follower to rise and secure the cartridges in place.
- Repeat until the magazine is full (25 rounds).

### 2. Attaching the Magazine to the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

### 4. Connecting Two Magazines:

- Align the two magazines backtoback.
- Slide the connection points together until they click into place.
- Ensure both magazines are securely connected before use.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not throw the magazine in regular trash. Check for local recycling programs for metal products.
- Ensure the magazine is empty before disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SAVAGE A17 Magazine, please reach out to your local distributor or retailer. They can provide additional support and information.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SAVAGE A17 25Round Steel Lip Magazine. Always prioritize safety and responsibility when handling firearms and ammunition.
