# Safety Instruction Guide for BLIZZARD SCOPE LENS COVERS

## Introduction

Thank you for choosing the BLIZZARD SCOPE LENS COVERS. This guide provides important safety instructions to ensure the safe use of your product. Please read this document carefully before using the scope lens covers to understand potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the scope lens covers for any damage before use.
- Keep the product out of reach of children to prevent accidental misuse.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Impact Resistance:** The polymer lenses are designed to be impact resistant; however, avoid dropping the lens covers from significant heights.
- **Weather Conditions:** While the lens covers protect against inclement weather, do not expose them to extreme conditions for prolonged periods.
- **Proper Handling:** Always handle the lens covers with care to prevent scratches or damage to the lenses.
- **Age Restrictions:** This product is not suitable for children under the age of 12 without adult supervision.
- **Storage:** Store the lens covers in a dry place when not in use to prevent moisture buildup.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the scope is properly mounted on your firearm before installing the lens covers.
- Align the lens covers with the scope openings.
- Press the covers firmly onto the scope until they fit snugly. Ensure they are secure.

### 2. Usage:

- To open the lens covers, gently flip them open using the springloaded mechanism.
- Always check that the lenses are clean and unobstructed before using the scope.
- After use, close the lens covers to protect them from dust and debris.
- If the lens covers become dirty, clean them with a soft, lintfree cloth. Avoid using abrasive materials.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the lens covers in regular household waste if they contain hazardous materials.
- Consider recycling the packaging materials where facilities are available.
