# BLIZZARD SCOPE LENS COVERS #11 Safety Instruction Guide

## Introduction

Thank you for choosing the BLIZZARD SCOPE LENS COVERS #11. These scope lens covers are designed to provide protection and enhance the usability of your scope during various weather conditions. This guide will provide you with essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure that the lens covers are used as intended to avoid any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. In the event of a recall, follow the instructions provided.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep the product out of reach of children to prevent any accidents or misuse.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Impact Resistance:** Although the polymer lenses are designed to be impactresistant, avoid exposing them to extreme conditions that may compromise their integrity.
- **Moisture Protection:** Ensure that the lens covers are securely closed when not in use to keep the lenses dry and clear.
- **Avoid Sharp Objects:** Do not use sharp objects to open or close the lens covers, as this may damage them.
- **Regular Inspection:** Periodically inspect the lens covers for any signs of wear or damage. Replace them if they are compromised.
- **Proper Handling:** Handle the lens covers with care to avoid dropping or mishandling them.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the correct size of the lens covers for your scope (2.432.50 inches or 61.763.5 mm).
- Align the lens covers with the scope lenses.
- Gently press the covers onto the scope until they fit snugly.

### 2. Usage:

- To open the lens covers, press the springloaded mechanism to flip them open quickly.
- Always ensure that the lens covers are closed when the scope is not in use to protect against dust and moisture.
- If you experience difficulty opening or closing the lens covers, check for obstructions or damage.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly in accordance with local waste disposal regulations.

- **Recycling:** If possible, recycle the polymer materials to minimize environmental impact.
- **NonHazardous Waste:** The lens covers do not contain hazardous materials; however, follow local guidelines for disposal of nonhazardous waste.

## Contact Information for Further Support

For any questions or concerns regarding the use of your BLIZZARD SCOPE LENS COVERS #11, please refer to the appropriate contact point provided by the manufacturer or retailer.

By following these safety instructions, you can ensure the safe and effective use of your BLIZZARD SCOPE LENS COVERS #11. Thank you for your attention to these important guidelines.
