# Safety Instruction Guide for PROHOLD TIP BALL END WRENCHES

## Introduction

Thank you for choosing the PROHOLD TIP BALL END WRENCHES by BONDHUS. This guide provides important safety instructions to ensure the safe and effective use of your new tool. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always inspect the tool before use to ensure it is in good condition.
- Keep the tool out of reach of children and vulnerable individuals.
- Use the tool only for its intended purpose to avoid accidents.
- Do not use the tool if it appears damaged or worn.
- Ensure proper lighting and a stable work surface when using the tool.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, to protect against potential hazards.

## Specific Safety Precautions for Use

- Ensure that the ProHold button is functioning properly before use to secure screws effectively.
- Avoid using excessive force when tightening screws to prevent tool damage or injury.
- Do not use the wrench on live electrical circuits or in wet conditions.
- Store the tool in a dry, secure place when not in use to prevent rust and damage.
- Do not modify or alter the tool in any way, as this may compromise its safety features.
- Be cautious of your surroundings while using the wrench to avoid accidents or injuries.

## Instructions for Installation and Usage

1. **Selecting the Right Size:** Choose the appropriate size of the wrench from the provided set. The inch sizes include .050, 1/16, 5/64, 3/32, 7/64, 1/8, 9/64, 5/32, 3/16, 7/32, 1/4, 5/16, 3/8, and the metric sizes include 1.5, 2, 2.5, 3, 4, 5, 6, 8, 10mm.
2. **Securing the Screw:** Position the wrench over the screw head and press the ProHold button to secure the screw in place.
3. **Tightening the Screw:** Rotate the wrench clockwise to tighten the screw. Ensure that you apply even pressure to avoid stripping the screw.
4. **Loosening the Screw:** To loosen the screw, rotate the wrench counterclockwise while maintaining a firm grip on the tool.
5. **PostUse:** After use, release the ProHold button to remove the screw and store the wrench safely.

## Disposal Instructions

- Dispose of the tool in accordance with local regulations regarding metal waste.
- Do not dispose of the tool in household waste. Check for recycling programs in your area.

## Contact Information for Further Support

For any safety inquiries or support related to your PROHOLD TIP BALL END WRENCHES, please contact the manufacturer or your local distributor.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your PROHOLD TIP BALL END WRENCHES. Always prioritize safety and stay informed about any product recalls or safety updates through the EU's Safety Gate platform. Thank you for your attention to these guidelines, and enjoy using your new tool!
