# PROHOLD TIP BALL END WRENCHES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the PROHOLD TIP BALL END WRENCHES by BONDHUS. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of your tool. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the wrench is in good condition before use.
- Inspect the tool for any signs of damage or wear. Do not use a damaged tool.
- Keep the tool out of reach of children and unauthorized users.
- Use the tool only for its intended purpose as described in this guide.
- Ensure that you are using the correct size wrench for the screw or bolt you are working with.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Be aware of your surroundings and ensure that you have a stable working environment.

## Specific Safety Precautions for Use

- The ProHold button is designed to hold screws securely; however, always doublecheck that the screw is firmly in place before applying force.
- Avoid using excessive force when tightening or loosening screws to prevent tool damage or injury.
- Do not use the wrench on live electrical components or in any hazardous environments.
- Ensure that the wrench is clean and free of debris before use to prevent slippage.
- Store the wrench in a dry place to prevent rust and corrosion.
- If the wrench becomes stuck, do not force it. Instead, gently wiggle it or use an appropriate lubricant.

## Instructions for Installation and Usage

### 1. Selecting the Correct Size Wrench:

- Choose the appropriate metric or inch size from the set according to the screw or bolt specifications.
- The metric sizes included are: 1.5, 2, 2.5, 3, 4, 5, 6, 8, 10 mm.
- The inch sizes included are: .050, 1/16, 5/64, 3/32, 7/64, 1/8, 9/64, 5/32, 3/16, 7/32, 1/4, 5/16, 3/8.

### 2. Using the Wrench:

- Insert the selected wrench size into the screw head.
- Press the ProHold button to secure the screw in place.
- Turn the wrench to tighten or loosen the screw as needed.
- Release the ProHold button once the screw is secure.

### 3. PostUse Care:

- Clean the wrench after each use to remove any dirt or grease.
- Inspect the wrench for any signs of wear or damage before storing it.
- Store the wrench in a protective case or designated storage area.

## **Disposal Instructions**

- When the PROHOLD TIP BALL END WRENCHES reach the end of their life cycle, dispose of them in accordance with local regulations.
- Consider recycling the tool if possible, as it may contain materials that can be reused.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report an unsafe product, please contact the manufacturer or refer to the EU Safety Gate platform for updates on recalls and safety notifications.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your PROHOLD TIP BALL END WRENCHES.
