THANDLE HEX TOOL SET BONDHUS METRIC HEX THANDLE 8PIECE SET Safety Instructions

Introduction

Thank you for purchasing the THANDLE HEX TOOL SET BONDHUS METRIC HEX THANDLE 8PIECE SET. This tool set is designed to provide you with reliable performance and ease of use. To ensure safe usage and maximize the lifespan of your tools, please read and follow the safety instructions outlined in this document.

General Safety Guidelines

- Always inspect the tool set before use. Check for any visible damage or wear.
- Use the tools only for their intended purpose as described in the product specifications.
- Keep the tool set out of reach of children and pets to prevent accidents.
- Store the tool set in a dry place to avoid rust and deterioration.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tools.
- Do not attempt to modify or repair the tools yourself. Contact a professional for any repairs.

Specific Safety Precautions for Use

- Ensure the work surface is stable and secure before using the tools.
- Use the correct size hex tool for the fastener to avoid stripping or damaging it.
- Avoid using excessive force when turning the hex tool to prevent slipping and potential injury.
- Do not use the tools in wet or damp conditions to prevent slipping and electrical hazards.
- Keep hands and other body parts clear of the tool's working area to avoid injury.
- Be cautious of sharp edges and corners on the tools.

Instructions for Installation and Usage

1. **Selecting the Right Tool:** Choose the appropriate hex tool size from the set (2, 2.5, 3, 4, 5, 6, 8, or 10mm) that fits the fastener you are working with.
2. **Using the Tool:**
 - Insert the hex tool into the fastener.
 - Ensure a snug fit to prevent slipping.
 - Turn the Thandle to tighten or loosen the fastener as required.
 - If the tool slips, stop and recheck the fit before proceeding.
3. **PostUse Care:**
 - Clean the tools after use to remove dirt and debris.
 - Wipe the handles with a dry cloth to maintain the nonporous coating.
 - Store the tools in their designated case or holder to prevent damage.

Disposal Instructions

- When the tool set reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the tools in regular household waste.
- Consider recycling options for metal components when available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the THANDLE HEX TOOL SET BONDHUS METRIC HEX THANDLE 8PIECE SET, please refer to the EU contact point provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
Enjoy using your new tool set!
