Safety Instruction Guide for GORILLA GRIP® FOLDUP WRENCH SETS

Introduction

Thank you for choosing the GORILLA GRIP® FoldUp Wrench Sets. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the wrench sets.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the wrench sets out of reach of children and vulnerable individuals.
- Regularly inspect the tools for any signs of damage or wear before use.
- Store the wrench sets in a dry and secure location to prevent damage and accidents.
- Do not use the wrenches for applications they are not designed for, as this may lead to injury or damage.
- If you experience any difficulties or have concerns regarding the product, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the wrench sets.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not apply excessive force when using the wrenches; this can cause tool failure and injuries.
- Avoid using the wrenches on hot or electrically charged components.
- Be cautious of sharp edges and moving parts when working with firearms or other machinery.
- If the wrench set is dropped or subjected to impact, inspect it for damage before further use.

Instructions for Installation and Usage

- To unfold the wrench set, gently pull on the handle until the wrenches are fully extended.
- Select the appropriate size wrench for your task by matching it to the fastener.
- Ensure a snug fit between the wrench and the fastener to prevent slipping.
- Turn the wrench in a controlled manner, applying steady pressure without excessive force.
- After use, clean the wrenches with a dry cloth to remove any debris or moisture.
- Fold the wrench set back into its compact form for safe storage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and tools.
- Do not dispose of the wrench sets in general household waste.
- Consider recycling the materials where possible to minimize environmental impact.
