

1911 BEAVERTAIL GRIP SAFETY - S/S GRIP SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Lowers The Pistol In Your Hand; Contact Pad Assures Engagement

Lowers the pistol deeper into your hand for less felt recoil and more comfortable, more accurate shooting. Raised contact pad increases engagement and helps ensure proper safety operation for shooters that use a high-thumb hold.

Safety Instruction Guide for 1911 Beavertail Grip Safety

Introduction

Thank you for purchasing the 1911 Beavertail Grip Safety. This product is designed to enhance your shooting experience by providing a more comfortable grip and reducing felt recoil. Please read this safety instruction guide carefully to ensure safe and effective use of your grip safety.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the grip safety is properly installed before using your firearm.
- Regularly inspect the grip safety for any signs of wear or damage.
- Use only with compatible models: Government, Commander, and Officers.
- Keep the grip safety away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm safety and usage.

Specific Safety Precautions for Use

- Ensure a proper grip on the firearm to maximize safety and control.
- Use a highthumb hold when shooting to engage the raised contact pad effectively.
- Avoid using the firearm in slippery or unstable conditions that may affect grip.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the grip safety beyond the specified alterations as this may compromise safety.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip safety if applicable.
- Align the new grip safety with the frame of the firearm.
- Securely attach the grip safety, ensuring it fits snugly against the frame.
- Check the fit and function by ensuring the grip safety engages and disengages properly.

2. Usage Instructions

- Grip the firearm with your dominant hand, ensuring your fingers wrap around the grip.
- Position your thumb high on the grip to engage the raised contact pad.
- Maintain a firm grip while aiming and shooting.
- Regularly practice safe handling and shooting techniques to enhance your proficiency.

Disposal Instructions

- When disposing of the grip safety, ensure it is done in accordance with local regulations for hazardous materials.
- Do not dispose of the grip safety in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions regarding safety or performance, please consult your local firearms dealer or a qualified gunsmith. Always ensure you have the latest information and updates regarding your product.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your enhanced shooting experience with the 1911 Beavertail Grip Safety.
