# CHOKE TUBE SPEED WRENCH BRILEY 12 GA. USER MANUAL

## Introduction

Thank you for choosing the CHOKE TUBE SPEED WRENCH BRILEY 12 GA. This manual provides essential safety instructions and guidelines for the proper use and maintenance of the product. Please read this manual thoroughly before using the wrench to ensure safe and effective operation.

## General Safety Guidelines

- Ensure you are familiar with the product before use.
- Always inspect the wrench for any damage before each use.
- Keep the wrench out of reach of children and vulnerable individuals.
- Use the wrench only for its intended purpose as specified in this manual.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the wrench in a welllit area to avoid accidents.
- Do not use excessive force when operating the wrench; it is designed to function with minimal effort.
- Avoid contact with moving parts during operation to prevent injury.
- If the wrench becomes damaged or malfunctioning, discontinue use immediately and seek assistance.
- Do not attempt to modify or repair the wrench; contact a qualified technician for any necessary repairs.

## Instructions for Installation and Usage

### 1. Preparing the Wrench

- Ensure that the wrench is clean and free from debris.
- Check that the aluminum fingers are securely attached and not bent.

### 2. Using the Wrench

- Position the wrench inside the choke tube, ensuring that the aluminum fingers align accurately with the tube.
- Hold the crank handle and turn it gently to spin the tube in or out.
- Do not force the crank handle; if resistance is met, check the alignment of the wrench and tube.

### 3. PostUse Care

- After use, clean the wrench with a soft cloth to remove any dirt or residue.
- Store the wrench in a dry place, away from extreme temperatures and moisture.

## Disposal Instructions

- Dispose of the wrench in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the wrench in household waste. Check for recycling options available in your area.

## **Contact Information for Further Support**
