AR15/M16/308 AR Gas Tube Wrench Safety Instruction Guide

Introduction

Thank you for purchasing the AR15/M16/308 AR Gas Tube Wrench by Mark Brown Custom. This tool is designed to safely handle fragile gas tubes during installation and removal, preventing damage while providing a convenient handle for ease of use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the wrench is used only for its intended purpose: handling gas tubes.
- Always inspect the wrench before use for any signs of damage or wear.
- Keep the wrench out of reach of children and vulnerable individuals.
- Use the wrench in a welllit area to avoid accidents.
- Follow all manufacturer guidelines and recommendations for use.

Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not apply excessive force when using the wrench, as this can lead to damage to the gas tube or the wrench itself.
- **Proper Grip:** Always maintain a firm grip on the wrench to prevent slipping during use.
- **Wear Protective Gear:** It is recommended to wear safety glasses and gloves to protect against potential injuries.
- **Check Compatibility:** Ensure that the wrench is compatible with the specific gas tube you are working on to prevent damage.
- **Do Not Modify:** Do not modify the wrench in any way, as this can compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the work area is clean and free from obstructions.

2. Using the Wrench:

- Position the wrench around the gas tube, ensuring it is properly aligned.
- Secure the wrench by gently tightening it around the tube.
- Use the handle to turn the wrench as needed for installation or removal.
- If resistance is met, stop and reassess the alignment and grip before proceeding.

3. PostUse Care:

- After use, clean the wrench with a dry cloth to remove any debris or residue.
- Store the wrench in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the wrench responsibly at a local recycling facility or according to local waste management regulations.

- Do not dispose of the wrench in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the AR15/M16/308 AR Gas Tube Wrench, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure the safe and effective use of your AR15/M16/308 AR Gas Tube Wrench. Thank you for your attention to safety, and enjoy your product!
