AR15/M16 Carbon Scraper Safety Instruction Manual

Introduction

Thank you for choosing the AR15/M16 Carbon Scraper by Mark Brown Custom. This manual provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the carbon scraper.

General Safety Guidelines

- Ensure that the scraper is used only for its intended purpose: removing carbon buildup from AR15/M16 bolt carriers.
- Always inspect the scraper before use. Do not use if there are any signs of damage or wear.
- Keep the scraper out of reach of children and vulnerable individuals.
- Use the scraper in a welllit area to avoid accidents.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Always wear safety goggles to protect your eyes from debris when scraping.
- Avoid using excessive force; let the scraper do the work to prevent damage to the bolt carrier.
- Do not use the scraper on hot surfaces or immediately after firing the firearm to avoid burns.
- Ensure that the firearm is unloaded and cleared of ammunition before using the scraper.
- Store the scraper in a safe place when not in use to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and the bolt carrier is removed.
- Gather necessary tools, including the carbon scraper and safety goggles.

2. Using the Carbon Scraper

- Hold the scraper by the plastic handle for a firm grip.
- Insert the hardened steel scraper tip into the bolt recess.
- Gently scrape away carbon buildup, applying minimal pressure.
- Periodically check the scraper tip for wear and replace if necessary.

3. PostUse Care

- Clean the scraper after use to prevent carbon buildup on the tool.
- Store the scraper in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the carbon scraper responsibly, following local waste management regulations.
- If the scraper is damaged or worn out, do not attempt to repair it. Instead, dispose of it according to local guidelines for metal and plastic waste.

Contact Information for Further Support

For any inquiries or concerns regarding the AR15/M16 Carbon Scraper, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the AR15/M16 Carbon Scraper. Always prioritize safety and proper handling to maintain both your wellbeing and the functionality of your firearm. Thank you for your attention to these guidelines.
