

# INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES - INVECTOR PLUS 12 GA SKEET BROWNING CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## Attributes

- Name: [INVECTOR PLUS 12 GA SKEET BROWNING CHOKE TUBE SS](#)
- Manufacturer: [CARLSONS](#)
- Product no.: 155000010
- Mfr. No.: 18862
- Choke Type: Skeet
- Gauge: 12 Gauge
- Make: Invector Plus
- Style: Sporting Clay
- Delivery weight: 0.045kg
- Shipping height: 28mm
- Shipping width: 36mm
- Shipping length: 107mm

## BROWNING INV. CHOKE TUBES Safety Instruction Guide

### Introduction

Thank you for choosing the Invector Plus 12 Gauge Sporting Clays Browning Choke Tubes. This guide provides essential safety information and usage instructions to ensure safe and effective operation of your product. Please read this guide carefully before use.

### General Safety Guidelines

- Ensure the choke tube is compatible with your shotgun model.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the choke tube regularly for any signs of damage or wear.
- Use only approved ammunition types as specified by the manufacturer.
- Keep the choke tube and shotgun out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunctions or accidents.
- Using incompatible ammunition can cause damage to the choke tube or shotgun.
- Failure to secure the choke tube can result in detachment during use.

- **Avoiding Hazards:**

- Always ensure the shotgun is unloaded before installing or removing the choke tube.
- Use the provided external knurled ring to securely tighten the choke tube.
- Do not exceed the recommended constriction size for your shooting needs.
- Regularly clean the choke tube to prevent buildup that may affect performance.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Ensure that minors are supervised when handling firearms and related accessories.

### Instructions for Installation and Usage

- **Installation:**

1. Ensure the shotgun is pointed in a safe direction and is unloaded.
2. Using the external knurled ring, unscrew the existing choke tube from the shotgun barrel.
3. Align the threads of the Invector Plus choke tube with the shotgun barrel.
4. Handtighten the choke tube until secure. Do not overtighten.
5. Confirm that the choke tube is properly installed before use.

- **Usage:**

- Always wear appropriate eye and ear protection when shooting.
- Load the shotgun only when ready to shoot.
- Follow all local laws and regulations regarding the use of firearms.
- Practice safe shooting habits and ensure a clear line of sight before firing.

## **Disposal Instructions**

- Dispose of the choke tube in accordance with local regulations.
- If the choke tube is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Invector Plus Choke Tubes, please refer to the manufacturer's website or contact the designated support service.

Thank you for following these safety guidelines and instructions. Enjoy your shooting experience responsibly!
