

INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES - INVECTOR PLUS 12 GA IMPROVED CYLINDER BROWNING CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

Attributes

- Name: [INVECTOR PLUS 12 GA IMPROVED CYLINDER BROWNING CHOKE TUBE SS](#)
- Manufacturer: [CARLSONS](#)
- Product no.: 155000011

INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES Safety Instruction Guide

Introduction

Thank you for choosing the INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES. This guide provides essential safety instructions and guidelines to ensure your safe use of this product. Please read this document carefully before using the choke tubes.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model.
- Always follow the manufacturer's instructions for installation and usage.
- Do not modify the choke tube in any way.
- Always wear appropriate eye and ear protection when using firearms.
- Store choke tubes in a dry, secure place away from children and unauthorized users.
- Regularly inspect the choke tubes for any signs of wear or damage before each use.
- If you notice any damage or irregularities, do not use the choke tube and contact a qualified professional for assessment.

Specific Safety Precautions for Use

- Use only the recommended ammunition type with the INVECTOR PLUS choke tubes.
- Avoid using steel shot with choke tubes not designed for it, as this can cause damage.
- Ensure the shotgun is unloaded before installing or removing the choke tube.
- Tighten the choke tube securely but do not overtighten, as this can cause damage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Installation of the Choke Tube

- Ensure the shotgun is completely unloaded.
- Use a choke tube wrench if necessary to remove the existing choke.
- Insert the INVECTOR PLUS choke tube into the barrel and turn it clockwise until it is snug.
- Use the wrench to tighten the choke tube securely, but do not overtighten.

2. Usage of the Choke Tube

- Load your shotgun with the appropriate ammunition.
- Ensure that the safety is engaged until you are ready to fire.
- Aim at your target and disengage the safety to fire.
- After shooting, engage the safety and unload the firearm before changing choke tubes or performing maintenance.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions regarding the safety and usage of the INVECTOR PLUS choke tubes, please refer to the manufacturer's contact information provided with your product.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES. If you have any concerns or questions, do not hesitate to seek professional advice.
