Safety Instruction Guide for 12GAUGE WINCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE WINCHOKE CHOKE TUBES by Carlson's. This guide provides essential safety information, usage instructions, and contact resources to ensure safe and effective use of your choke tubes. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you understand how to properly use and maintain the choke tubes.
- Always handle firearms and accessories with care and responsibility.
- Keep the choke tubes out of reach of children and unauthorized users.
- Regularly inspect the choke tubes for any signs of wear or damage.
- Do not use the choke tubes if they show signs of damage or if they are not functioning properly.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before installing or removing the choke tubes.
- Use only the recommended ammunition types with your choke tubes, specifically:
 - Magnum and steel shot loads are acceptable.
 - Tru™ Choke Thinwall tubes are for 2¾" Lead Shot loads ONLY.
 - XFull and Turkey constrictions are for Lead and HeviShot ONLY.
- Be aware that improper use of the choke tubes can lead to malfunctions or accidents.
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the choke tubes are securely installed before firing the shotgun.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the shotgun is unloaded. Check the chamber and magazine.
2. **Remove Existing Choke:** Use a choke wrench to unscrew the existing choke tube from the shotgun's barrel.
3. **Install New Choke Tube:**
 - Align the threads of the choke tube with the barrel.
 - Handtighten the choke tube into the barrel.
 - Use the choke wrench to securely tighten the choke tube, but do not overtighten.
4. **Check Installation:** Ensure the choke tube is seated properly and does not wobble.

Usage

- Always verify that the shotgun is pointed in a safe direction before firing.
- Be familiar with the specific choke constriction you are using and its intended application.
- Follow the manufacturer's recommendations for cleaning and maintenance to ensure optimal performance and safety.

Disposal Instructions

- Dispose of any damaged or unusable choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Instead, consider recycling options where

available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the 12GAUGE WINCHOKE CHOKE TUBES, please refer to the manufacturer's contact resources or visit their official website for further assistance.

Please remember that safety is paramount when handling firearms and accessories. Always adhere to these guidelines to ensure a safe and enjoyable shooting experience.
