# Safety Instruction Guide for 12GAUGE WINCHOKE CHOKE TUBES

## Introduction

Thank you for choosing the 12GAUGE WINCHOKE CHOKE TUBES by CARLSONS. This guide provides essential safety instructions, usage guidelines, and information to ensure safe operation and maintenance of your choke tubes. Please read this guide carefully before use.

## General Safety Guidelines

- Always ensure that the choke tube is compatible with your shotgun model before installation.
- Do not exceed the recommended load limits for your choke tube. This product is designed for use with magnum and steel shot loads.
- Inspect the choke tube for any signs of damage or wear before each use. Do not use a damaged choke tube.
- Ensure that the shotgun is unloaded when installing or removing the choke tube.
- Keep the choke tubes out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Use only lead and HeviShot with XFull and Turkey constrictions.
- Tru™ Choke Thinwall tubes are recommended for 2¾" Lead Shot loads ONLY.
- Avoid using choke tubes with ammunition types not specified in this guide.
- Do not attempt to modify or alter the choke tube in any way.
- Ensure that the choke tube is properly tightened to avoid any accidental dislodgment during use.
- Always wear appropriate hearing and eye protection when shooting.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the shotgun is completely unloaded.
- Use a choke tube wrench to carefully unscrew the existing choke tube from the shotgun barrel.
- Clean the threads of the barrel and the choke tube before installation.
- Align the choke tube with the threads of the shotgun barrel.
- Handtighten the choke tube until snug, then use the choke tube wrench to secure it without overtightening.

### 2. Usage

- Always check the compatibility of the choke tube with your specific shotgun model.
- Load your shotgun with the appropriate type of ammunition as specified in this guide.
- When ready to shoot, maintain proper firearm handling and safety practices.
- After use, clean the choke tube and barrel to prevent any buildup of residue.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes according to local regulations for metal recycling or hazardous waste.
- Do not dispose of choke tubes in regular household waste.

## Contact Information for Further Support

For any safety inquiries, product support, or additional information, please reach out to the designated EU contact point provided by the manufacturer.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 12GAUGE WINCHOKE CHOKE TUBES. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
