Safety Instruction Guide for 12GAUGE WINCHOKE CHOKE TUBES

Introduction

Thank you for purchasing the 12GAUGE WINCHOKE CHOKE TUBES by CARLSONS. This guide provides essential safety instructions to ensure the safe and effective use of your choke tubes. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model before installation.
- Always handle choke tubes with care to avoid injury.
- Store choke tubes in a safe, dry place away from children and pets.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Use only with shotguns that are designed to accept WinChoke or compatible threading.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using steel shot in choke tubes marked for lead shot only.
- Ensure the shotgun is unloaded when installing or removing the choke tubes.
- Never use damaged or deformed choke tubes; replace them immediately.
- Be aware of the potential for increased recoil when using certain loads.
- Always wear appropriate eye and ear protection when firing your shotgun.

Instructions for Installation and Usage

1. Installation of Choke Tubes

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Using a choke wrench, carefully unscrew the existing choke tube from the shotgun barrel.
- Align the threads of the new choke tube with the barrel and gently screw it in by hand.
- Use the choke wrench to tighten the choke tube securely, but do not overtighten.

2. Usage of Choke Tubes

- Load your shotgun according to the manufacturer's instructions.
- Aim in a safe direction and ensure that the area is clear of obstructions and bystanders.
- Fire the shotgun, observing the performance of the choke tube.
- If you notice any unusual behavior or performance, stop using the choke tube and inspect it for damage.

3. Removal of Choke Tubes

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the choke wrench to carefully unscrew the choke tube from the shotgun barrel.
- Store the choke tube in a safe location.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Consider recycling options for metal components if available.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for choosing CARLSONS. Your safety is our priority. Please adhere to these guidelines to ensure a safe and enjoyable shooting experience.
