Safety Instruction Guide for 12GAUGE WINCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE WINCHOKE CHOKE TUBES by CARLSONS. This product is designed to enhance your shooting experience by providing reliable performance and compatibility with various shotgun models. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation of your shotgun and follow the manufacturer's instructions.
- Keep the choke tubes clean and free from obstructions before and after use.
- Store choke tubes in a secure place, out of reach of children and unauthorized users.
- Do not modify or alter the choke tubes in any way, as this can compromise safety and performance.
- Be aware of your surroundings when shooting, and ensure that you have a clear and safe target area.

Specific Safety Precautions for Use

- Only use choke tubes that are compatible with your shotgun model. Refer to the manufacturer's specifications for compatibility.
- When using magnum and steel shot loads, ensure that the choke tube is rated for such use.
- Tru™ Choke Thinwall tubes are recommended for 2¾" Lead Shot loads ONLY. Do not use with other types of ammunition.
- All XFull and Turkey constrictions are for use with Lead and HeviShot ONLY. Using other types of ammunition may result in damage or injury.
- Always check for proper installation of the choke tube before firing. Ensure it is securely tightened.
- Regularly inspect choke tubes for signs of wear or damage. Replace any that are compromised.

Instructions for Installation and Usage

1. Installation of Choke Tubes

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Using a choke wrench, carefully unscrew the existing choke tube from the barrel.
- Align the threads of the new choke tube with the barrel and screw it in by hand.
- Tighten the choke tube securely with a choke wrench, but do not overtighten.

2. Usage of Choke Tubes

- Once installed, check the choke tube to ensure it is properly seated.
- Always wear appropriate eye and ear protection when shooting.
- Load the shotgun with the appropriate ammunition for the installed choke tube.
- Fire the shotgun only in a safe and controlled environment.

Disposal Instructions

- Dispose of any used or damaged choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste. Instead, consider recycling options if available.
- Ensure that any discarded choke tubes are rendered unusable to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding the safety or performance of the 12GAUGE WINCHOKES CHOKE TUBES, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions and guidelines, you can ensure a safer shooting experience with your 12GAUGE WINCHOKES CHOKE TUBES. Thank you for your attention to safety and enjoy your shooting activities responsibly.
