# Safety Instruction Guide for 12GAUGE WINCHOKE CHOKE TUBES

## Introduction

Thank you for purchasing the 12GAUGE WINCHOKE CHOKE TUBES by CARLSONS. This guide provides essential safety instructions to ensure the safe use and maintenance of your choke tubes. Please read this guide carefully to avoid any hazards associated with the product.

## General Safety Guidelines

- Always ensure that your shotgun is unloaded before installing or removing choke tubes.
- Use only the recommended ammunition type with this choke tube. Consult the specifications for compatible loads.
- Regularly inspect choke tubes for signs of wear or damage before each use.
- Keep choke tubes out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the choke tube is properly installed and tightened before use.
- Do not exceed the recommended load specifications for the choke tube.
- Avoid using lead shot in tubes marked for steel shot only.
- Use protective eyewear when shooting to protect against potential debris.
- Always follow the manufacturer's instructions for your shotgun when using choke tubes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded.
- Using the appropriate wrench, carefully remove the existing choke tube from the shotgun barrel.
- Clean the threads of the barrel and the new choke tube to ensure a secure fit.
- Align the choke tube with the threads in the barrel and handtighten it.
- Use the wrench to securely tighten the choke tube, ensuring it is not overtightened.

### 2. Usage:

- Load the shotgun with the appropriate ammunition type as per the specifications.
- Always maintain a safe shooting position and be aware of your surroundings.
- Follow all local laws and regulations regarding the use of firearms and shotguns.

### 3. PostUse:

- After use, clean the choke tube and store it in a dry place.
- Regularly check for any signs of damage or wear.

## Disposal Instructions

- Dispose of damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your 12GAUGE WINCHOCKE CHOKE TUBES. Thank you for prioritizing safety while enjoying your shooting experience.
