

12 GA WOOL SNAP CAPS - CARLSONS WOOL SNAP CAPS 12 GAUGE SHOTGUN, ALUMINUM

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

Dry Fire Without Damaging Your Firearm

Snap caps are great for dry fire practice because they let you concentrate on keeping the firearm steady during the trigger pull, which helps eliminate flinch when using live ammo. Shotgun snap caps feature a wool chamber mop that can be soaked with gun oil or preservative to prevent a rusty chamber during long-term storage; available in your choice of a brass or aluminum base.

Safety Instruction Guide for 12 GA Wool Snap Caps

Introduction

Thank you for choosing the 12 GA Wool Snap Caps by Carlson's. These snap caps are designed for safe dry fire practice with your shotgun, helping you improve your shooting skills without the use of live ammunition. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the European Union General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat snap caps as if they were live ammunition.
- Store snap caps in a secure location, out of reach of children and unauthorized users.
- Inspect snap caps before use for any signs of damage or wear.
- Do not use snap caps in any manner other than intended.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for product recalls on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the shotgun is pointed in a safe direction during practice.
- Only use the snap caps in shotguns designated for 12 gauge ammunition.
- Do not use the snap caps for any purpose other than dry fire training.
- Keep the area free of distractions while practicing.
- Avoid using snap caps in environments where live ammunition is present.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove any live ammunition from the vicinity.

2. Inserting Snap Caps:

- Open the action of your shotgun.
- Insert the 12 GA Wool Snap Caps into the chamber as you would with live ammunition.
- Close the action of the shotgun.

3. Dry Fire Practice:

- Practice your trigger pull and aim without the risk of live fire.
- Focus on maintaining a steady grip and proper stance.

4. PostPractice:

- After practice, remove the snap caps from the chamber.
- Store the snap caps in a safe location.

Disposal Instructions

- Dispose of damaged or worn snap caps in accordance with local regulations.

- Do not dispose of snap caps in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the 12 GA Wool Snap Caps, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your practice with the 12 GA Wool Snap Caps while ensuring a safe shooting environment.
