# Safety Instruction Guide for CHOKE TUBE CARRY CASE CARLSONS PROTECTIVE 5

## Introduction

Thank you for choosing the CHOKE TUBE CARRY CASE CARLSONS PROTECTIVE 5. This carry case is designed to provide superior protection for your choke tubes while hunting or shooting. To ensure safe usage and maximize the lifespan of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the carry case is used only for storing choke tubes.
- Keep the carry case out of reach of children to prevent accidents.
- Regularly inspect the carry case for any signs of damage or wear.
- If the carry case is damaged, discontinue use immediately and replace it.
- Follow all local laws and regulations regarding the use of choke tubes and related accessories.

## Specific Safety Precautions for Use

- Do not expose the carry case to extreme temperatures or direct sunlight for extended periods.
- Avoid placing heavy objects on top of the carry case to prevent deformation.
- Ensure that all choke tubes are securely stored within the case before transporting.
- Handle the carry case with care to avoid dropping it, which could damage both the case and its contents.
- If you notice any unusual smells or substances on the carry case, discontinue use and seek guidance.

## Instructions for Installation and Usage

### 1. Opening the Carry Case:

- Unzip the carry case carefully to avoid any tearing of the zipper or fabric.

### 2. Storing Choke Tubes:

- Place each choke tube into its designated slot within the carry case.
- Ensure that the choke tubes are inserted fully and securely to prevent movement during transport.

### 3. Closing the Carry Case:

- After placing all choke tubes inside, close the carry case by zipping it up completely.
- Ensure that the zipper is fully closed to protect the contents from dust and moisture.

### 4. Transporting the Carry Case:

- Carry the case using the handles provided.
- Avoid dragging the carry case on rough surfaces to maintain its integrity.

## Disposal Instructions

- When the carry case reaches the end of its useful life, dispose of it in accordance with local waste disposal regulations.
- Recycle materials where possible, separating fabric and plastic components.
