

12 GA BRASS WOOL SNAP CAPS - CARLSONS BRASS WOOL SNAP CAPS 12 GA

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

Dry Fire Without Damaging Your Firearm

Snap caps are great for dry fire practice because they let you concentrate on keeping the firearm steady during the trigger pull, which helps eliminate flinch when using live ammo. Shotgun snap caps feature a wool chamber mop that can be soaked with gun oil or preservative to prevent a rusty chamber during long-term storage; available in your choice of a brass or aluminum base.

Safety Instruction Guide for 12 GA Brass Wool Snap Caps

Introduction

Thank you for choosing the 12 GA Brass Wool Snap Caps by Carlson's. These snap caps are designed for dry fire practice, allowing you to improve your shooting skills without the risk associated with live ammunition. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use snap caps only in firearms that are specifically designed for their use.
- Keep snap caps out of reach of children and vulnerable individuals.
- Regularly inspect snap caps for wear and damage before use.
- Do not use snap caps for any purpose other than training and practice.
- Report any unsafe products or incidents immediately to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction when inserting or removing snap caps.
- Do not attempt to fire the snap caps in a firearm that is not functioning correctly.
- Always follow the manufacturer's instructions for your specific firearm model.
- Avoid using snap caps in a manner that could cause a malfunction or damage to the firearm.
- If the snap cap becomes lodged in the chamber, follow the manufacturer's guidelines for safe removal.

Instructions for Installation and Usage

1. Loading the Snap Caps:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Open the action of the firearm and insert the snap caps into the chamber or magazine as per your firearm's design.
- Close the action of the firearm securely.

2. Dry Fire Practice:

- Practice your trigger pull and aiming with the snap caps loaded.
- Focus on maintaining a steady grip and proper stance to develop muscle memory.
- Avoid rapid firing; take your time to ensure each trigger pull is deliberate.

3. PostPractice:

- After practice, remove the snap caps from the firearm.
- Inspect the snap caps for any signs of damage or wear.
- Store the snap caps in a safe place, away from children and unauthorized users.

Disposal Instructions

- Dispose of damaged or worn snap caps according to local regulations for nonhazardous waste.
- Do not attempt to recycle snap caps, as they may not be accepted in regular recycling programs.

- Ensure snap caps are disposed of in a manner that prevents access by children or pets.

Contact Information for Further Support

For any questions or concerns regarding the use of the 12 GA Brass Wool Snap Caps, please refer to the product packaging for contact information of the manufacturer.

Thank you for your attention to these safety guidelines. Enjoy your training and practice safely!
