

# 12GA 3-GUN CRIO CHOKE TUBE SET - BROWNELLS 3-GUN EXTENDED CHOKE TUBE SET FOR BENELLI CRIO & CRIO PLUS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Brownells & Carlson's 3-Gun Extended Choke Tubes are designed specifically for use in 3-Gun competitions. This 3-piece choke tube set allows the shooter to select the exact choke tube needed for any stage. Included choke tubes are Full, Improved Cylinder & Modified, ensuring you can quickly take out clay pigeons or knock down that long distance steel target. The three tubes are manufactured from 1704 stainless steel and designed to throw tighter and denser patterns than conventional choke tubes. Each choke tube is knurled on the end to allow for quick and easy removal. Constriction and size are laser marked on the end and body for easy reference. Slugs, sabots, and rifled slugs are not to be used in any choke constriction tighter than Improved Cylinder. Remember to pattern your shotgun choke tube with the specific shot shell load you are going to be using. Different brands of ammunition throw different patterns from the same choke tube. This choke is backed by Brownells & Carlson's lifetime warranty. Choke Tube Sets available for Benelli/Beretta 12 Gauge shotguns. Though not likely to be used at 3-Gun events, steel shot may be used through these choke tubes with exceptional results. Do not shoot steel shot larger than BB or any steel load faster than 1550 FPS through the Full or Extra Full Constrictions.

# Safety Instruction Guide for 12GA 3GUN CRIO CHOKE TUBE SET

## Introduction

Thank you for choosing the 12GA 3GUN CRIO CHOKE TUBE SET by Brownells. This product is designed for use in 3Gun competitions and allows you to customize your shooting experience. To ensure your safety and the best performance of your choke tubes, please read this guide carefully.

## General Safety Guidelines

- Always handle firearms and accessories with care. Follow all safety protocols and guidelines.
- Ensure that you are familiar with the operation of your shotgun before using the choke tubes.
- Use only compatible ammunition as specified in this guide.
- Regularly inspect choke tubes for wear and damage before each use.
- Store choke tubes in a safe, dry place, away from children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Choke Tube Compatibility:**
  - Ensure that the choke tubes are compatible with your shotgun model (Benelli/Beretta, 12 Gauge).
- **Ammunition Restrictions:**
  - Do not use slugs, sabots, or rifled slugs in any choke constriction tighter than Improved Cylinder.
  - Avoid using steel shot larger than BB or any steel load faster than 1550 FPS through Full or Extra Full constrictions.
- **Pattern Your Shotgun:**
  - Always pattern your shotgun choke tube with the specific shot shell load you intend to use. Different brands of ammunition can produce different patterns from the same choke tube.
- **Inspection:**
  - Regularly check the choke tubes for any signs of damage or excessive wear. If you notice any issues, discontinue use and contact a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the knurled end of the choke tube to handtighten it into the shotgun's muzzle.
- Do not overtighten, as this can damage the threads.
- Check that the choke tube is securely in place before firing.

### 2. Usage:

- Select the appropriate choke tube based on your shooting requirements:
  - Close Range: .720 Improved Cylinder

- MidRange: .710 Modified
- Long Range: .700 Full
- Always follow the manufacturer's guidelines for ammunition and shooting conditions.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes according to local regulations.
- Do not dispose of choke tubes in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 12GA 3GUN CRIO CHOKE TUBE SET, please refer to the manufacturer's contact details listed in the product documentation or on the packaging. Ensure you have the product information ready for reference.

By following these safety instructions, you can enjoy the full benefits of your 12GA 3GUN CRIO CHOKE TUBE SET while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
