# Safety Instruction Guide for Carlson's Choke Tube Cleaner

## Introduction

Thank you for choosing Carlson's Choke Tube Cleaner. This product is designed to effectively clean choke tubes and semiautomatic shotgun gas system parts, as well as AR15 and other rifle bolt assemblies. It is nonflammable, nonhazardous, and biodegradable, providing you with a safe cleaning solution. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets to prevent accidental ingestion or misuse.
- Use the product only as intended, following all instructions provided.
- In case of contact with eyes or skin, rinse thoroughly with water and seek medical attention if necessary.
- Do not ingest the product. If swallowed, seek medical advice immediately and show the product container.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Ensure proper ventilation in the area where the product is used to avoid inhaling fumes.
- Avoid using the product near open flames or sources of ignition.
- Wear protective gloves and eyewear when handling the cleaner to prevent skin and eye irritation.
- Do not mix this product with other cleaning agents, as this may create hazardous reactions.
- If you experience any adverse reactions while using the product, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the area is wellventilated.
- Gather necessary tools and materials, including gloves, eyewear, and a cleaning cloth.

### 2. Application:

- Shake the 7 oz jar of Carlson's Choke Tube Cleaner well before use.
- Apply a small amount of the cleaner onto the choke tube or the parts to be cleaned.
- Allow the cleaner to sit for a few minutes to penetrate carbon and plastic wad fouling.

### 3. Cleaning:

- Use a soft brush or cloth to scrub the areas treated with the cleaner.
- For stubborn fouling, apply additional cleaner and let it sit longer.
- Rinse thoroughly with water after cleaning to remove any residue.

### 4. Drying:

- Allow the cleaned parts to air dry completely before reassembly or use.

### 5. Storage:

- After use, securely close the jar and store it in a safe location.

## **Disposal Instructions**

- Dispose of any unused product and its container in accordance with local waste disposal regulations.
- Do not pour the product down the drain or dispose of it in regular trash.
- Check for any specific disposal instructions on the product label or consult local authorities for guidance.

## **Contact Information for Further Support**

For any questions or additional support regarding the use of Carlson's Choke Tube Cleaner, please refer to the product packaging for contact details.

Thank you for your attention to these safety guidelines. Enjoy using Carlson's Choke Tube Cleaner for a safer and cleaner shooting experience!
