

REMINGTON TACTICAL BREECHER MUZZLE BRAKE - CARLSONS TACTICAL BREECHER MUZZLE BRAKE EXTRA FULL REMINGTON BLK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

The New Carlson's Tactical Muzzle Brake choke tube features a porting designed to reduce recoil significantly. This new choke tube is manufactured from 17-4 Heat Treated Stainless Steel. The Extra Full choke tube can be used with all Hevi-Shot and lead loads (but is not to be used with slugs and cannot be used with any Steel shot larger than #2 or with any Steel shot faster than 1550FPS). The Extra Full constriction is also an excellent choice for hunters using larger shot sizes for coyotes, wild hogs and deer. The NEW Tactical Choke Tube has a head that extends approximately 2.75" beyond the end of the barrel and features a matte black finish. The addition of this new choke will not only make any ordinary shotgun look extraordinary, but also significantly reduce recoil allowing for better control of your firearm and quicker follow-up shots. Perfect for Law Enforcement or Home Defense. These chokes are proudly made in the USA and feature Carlson's lifetime warranty.

Safety Instruction Guide for REMINGTON TACTICAL BREECHER MUZZLE BRAKE

Introduction

Thank you for choosing the REMINGTON TACTICAL BREECHER MUZZLE BRAKE. This product is designed to enhance your shooting experience by reducing recoil and improving accuracy. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling of the muzzle brake at all times.
- Always treat your firearm as if it is loaded.
- Keep the muzzle brake and firearm out of reach of children and unauthorized users.
- Use the muzzle brake only with compatible shotgun models and ammunition.
- Regularly inspect the muzzle brake for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Recoil Management:** The muzzle brake is designed to reduce recoil; however, proper shooting techniques should always be employed.
- **Ammunition Compatibility:** Use only HeviShot and lead loads. Avoid using slugs, steel shot larger than #2, or steel shot faster than 1550 FPS.
- **Installation:** Ensure the muzzle brake is securely installed before use. A loose muzzle brake may cause malfunctions or injuries.
- **Shooting Environment:** Always shoot in a safe and controlled environment to minimize risks to yourself and others.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing choke tube from the shotgun.
- Clean the threads of the barrel to ensure a secure fit.
- Screw the REMINGTON TACTICAL BREECHER MUZZLE BRAKE onto the barrel by hand, ensuring it is tight but not overtightened.
- Check that the muzzle brake is properly aligned and secure before firing.

2. Usage:

- Load your firearm with compatible ammunition only.
- Position yourself in a stable shooting stance.
- Aim your firearm at the target and ensure the area is clear of obstructions and bystanders.
- Fire the weapon, allowing the muzzle brake to reduce recoil and improve control.
- After shooting, inspect the muzzle brake for any signs of damage or wear.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of the muzzle brake in regular household waste.

- Contact local waste management facilities for guidance on proper disposal methods for firearm accessories.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's support resources or your local retailer. Always ensure you have access to up-to-date information regarding product recalls or safety notices.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your REMINGTON TACTICAL BREECHER MUZZLE BRAKE. Always prioritize safety and compliance with local laws when using firearms and accessories. Thank you for choosing our product, and happy shooting!
