Safety Instruction Guide for 12GAUGE TRUCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE TRUCHOKE CHOKE TUBES. This guide provides essential safety instructions and user information to ensure safe and effective use of the product. Please read this guide carefully before using the choke tubes.

General Safety Guidelines

- Always ensure that the choke tube is compatible with your shotgun model before installation.
- Inspect the choke tube for damage or defects before each use. Do not use if damaged.
- Keep choke tubes out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of choke tubes and firearms.
- Store choke tubes in a safe, dry place when not in use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only recommended ammunition types with the choke tubes:
 - Lead Shot loads for Tru™ Choke Thinwall tubes (2¾" only).
 - All XFull and Turkey constrictions are for Lead and HeviShot only.
- Do not exceed the manufacturer's recommended load limits.
- Ensure that the shotgun is unloaded before installing or removing the choke tube.
- Wear appropriate eye and ear protection when using firearms.
- Avoid using the choke tube with steel shot loads unless specified.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the appropriate wrench to remove the existing choke tube from the shotgun barrel.
- Clean the threads of the shotgun barrel to remove debris.
- Carefully screw the TruChoke tube into the barrel by hand until snug.
- Use the wrench to tighten the choke tube securely, but do not overtighten.

2. Usage:

- Load the shotgun with the appropriate ammunition for the installed choke tube.
- Always check that the choke tube is secure before firing.
- Follow safe shooting practices, including keeping the muzzle pointed in a safe direction.

3. PostUse Care:

- After use, remove the choke tube if not needed for future shooting.
- Clean the choke tube and shotgun barrel to remove fouling and debris.
- Store the choke tube in a protective case to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check for recycling options or designated disposal sites for metal products.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer's customer service or your local dealer. Always refer to the product documentation for specific information related to your choke tubes.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your 12GAUGE TRUCHOKE CHOKE TUBES.
