12GAUGE TRUCHOKE CHOKE TUBES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the 12GAUGE TruChoke Choke Tubes. These choke tubes are designed for safe and effective use with various shotguns. Please read this safety instruction guide carefully to ensure proper usage and to minimize the risk of accidents.

General Safety Guidelines

- Always ensure that your shotgun is unloaded before installing or removing choke tubes.
- Use choke tubes only with compatible shotguns as specified in the product description.
- Regularly inspect choke tubes for signs of wear or damage before each use.
- Store choke tubes in a cool, dry place away from moisture and extreme temperatures.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Keep choke tubes out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only lead shot or HeviShot in choke tubes marked for such use.
- Do not exceed the recommended shot load for your specific choke tube.
- Avoid using choke tubes with steel shot loads unless specified as safe for such use.
- Be aware of the potential for increased recoil when using certain types of ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Ensure a clear line of sight and a safe shooting environment before firing.

Instructions for Installation and Usage

1. Installation of Choke Tubes

- Ensure the shotgun is completely unloaded.
- Use a choke wrench to gently unscrew the existing choke tube from the shotgun barrel.
- Align the new choke tube with the threads and handtighten it into place.
- Use the choke wrench to secure the choke tube, but do not overtighten.

2. Usage of Choke Tubes

- Load your shotgun according to the manufacturer's instructions.
- Ensure that the choke tube is properly installed and secured.
- Aim your shotgun at a safe target area and fire only when ready.
- After use, remove the choke tube for cleaning and proper storage.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations regarding metal waste.
- Do not throw choke tubes in regular household waste.
- Consider recycling options available in your area for metal products.

Contact Information for Further Support

For any safety inquiries or further information regarding the 12GAUGE TruChoke Choke Tubes, please reach out to the manufacturer or your point of purchase. Ensure that you have the product details on hand for a more efficient response.

By following these safety instructions, you can ensure that your experience with the 12GAUGE TruChoke Choke Tubes is both safe and enjoyable. Thank you for your attention to safety, and happy shooting!
