Safety Instruction Guide for 20GA TRUCHOKE Choke Tubes

Introduction

Thank you for choosing the 20GA TRUCHOKE Choke Tubes by Carlson's. This guide provides essential safety information and instructions to ensure the proper use and maintenance of your choke tubes. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model before installation.
- Always handle choke tubes with care to avoid injury.
- Store choke tubes in a safe, dry place away from children and pets.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Use only recommended ammunition types with the choke tubes, including lead shot and HeviShot.
- Do not use choke tubes with steel shot loads unless specified.
- Avoid using magnum loads with TruChoke Thinwall tubes.
- Always ensure the shotgun is unloaded when installing or removing choke tubes.
- Wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation of Choke Tubes:

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Using a choke tube wrench, carefully unscrew the existing choke tube from the barrel.
- Select the appropriate choke tube for your shooting needs.
- Insert the new choke tube into the barrel and handtighten it.
- Use the choke tube wrench to securely tighten the choke tube, but do not overtighten.

2. Usage:

- Always check the choke tube before each use to ensure it is securely installed.
- Follow recommendations for the type of ammunition to use with your choke tube.
- Be aware of the specific constrictions of your choke tube and adjust your shooting techniques accordingly.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your 20GA TRUCHOKE Choke Tubes, please refer to the manufacturer's website or customer service resources for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your 20GA TRUCHOKE Choke Tubes. Thank you for your attention to safety!
