Consumer Safety Instruction Guide for 20GA TRUCHOKE CHOKE TUBES

Introduction

Thank you for purchasing the 20GA TRUCHOKE CHOKE TUBES. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always ensure that the choke tube is compatible with your shotgun model before use.
- Check for any visible damage or defects in the choke tube before installation.
- Follow all manufacturer instructions for installation and usage to avoid accidents.
- Store the choke tubes in a dry and secure location, away from children and pets.
- Use only approved ammunition types as specified in the product description.
- Regularly inspect the choke tube for wear and tear, particularly after extensive use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use this choke tube only with 20 gauge shotguns.
- Ensure that the shotgun is unloaded before installing or removing the choke tube.
- Avoid using the choke tube with steel shot loads unless specified, as this may cause damage.
- Use TruChoke Thinwall tubes only for 2¾" Lead Shot loads.
- The XFull and Turkey constrictions are for Lead and HeviShot ONLY.
- Always wear appropriate safety gear, including eye protection, when using a shotgun.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is completely unloaded.
- Remove the existing choke tube (if applicable) by turning it counterclockwise.
- Clean the choke tube threads on both the shotgun and the new choke tube to ensure a proper fit.
- Install the new choke tube by turning it clockwise until it is securely in place.
- Use a choke wrench if necessary to ensure a snug fit, but do not overtighten.

2. Usage:

- Load the shotgun with approved ammunition.
- Always check the choke tube before each use to ensure it is securely installed.
- Follow all local laws and regulations regarding shotgun usage and hunting.

3. PostUsage:

- After use, clean the choke tube with a soft cloth to remove any debris or residue.
- Store the choke tube in a protective case or designated storage area.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the 20GA TRUCHOKE CHOKE TUBES, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure the safe and effective use of your 20GA TRUCHOKE CHOKE TUBES. Thank you for your attention to these important guidelines.
