# HIGH VISIBILITY FRONT SIGHT SHOTGUN BEADS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Carlson's High Visibility Front Sight Shotgun Beads. These beads are designed to enhance your shooting experience by providing an easytosee front sight under various hunting conditions. This safety instruction guide is designed to help you use this product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that your shotgun is unloaded when installing or adjusting the front sight beads.
- Keep the product out of reach of children to prevent accidental use or injury.
- Regularly inspect the beads for any signs of damage or wear before each use.
- Use the product only for its intended purpose as specified in the instructions.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Visibility:** The white bead is designed for visibility in low light conditions, while the fluorescent red bead is intended for bright, sunny days. Be aware of your environment to ensure you can see the bead clearly.
- **Shooting Position:** Always adopt a stable shooting position to ensure safety and accuracy. Avoid shooting at steep angles or in crowded areas.
- **Handling:** Always handle your shotgun with care. Treat every firearm as if it is loaded, and never point it at anything you do not intend to shoot.
- **Protective Gear:** Wear appropriate protective gear, such as eye and ear protection, when using your shotgun.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your shotgun is unloaded.
- Remove the existing front sight if applicable.
- Select the appropriate thread size (356 or 648) for your shotgun.
- Carefully screw the high visibility bead into the front sight post until secure. Do not overtighten.
- Check alignment and ensure that the bead is securely fastened.

### 2. Usage:

- Aim your shotgun using the front sight bead as your primary point of reference.
- Adjust your shooting stance to maintain a clear line of sight to the target.
- Practice regularly to become familiar with the visibility features of the beads in different lighting conditions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged and no longer usable, consult your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or to report unsafe products, please reach out to your local regulatory authority or consumer protection agency. They can provide guidance and support related to product safety.

By following these guidelines, you can ensure a safe and enjoyable experience while using the Carlson's High Visibility Front Sight Shotgun Beads. Thank you for your commitment to safety.
