Safety Instruction Guide for 12GAUGE TRUCHOKE THINWALL CHOKE TUBES

Introduction

Thank you for purchasing the 12GAUGE TRUCHOKE THINWALL CHOKE TUBES. This guide is designed to provide you with essential safety information and usage instructions to ensure a safe and effective experience with your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your shotgun before using the choke tubes.
- Always handle firearms with care and follow all safety precautions.
- Store choke tubes in a safe place, out of reach of children and unauthorized users.
- Regularly inspect choke tubes for any signs of wear or damage before use.
- Use only compatible ammunition as specified in the product description.
- Be aware of your surroundings and ensure that you are in a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety issues.

Specific Safety Precautions for Use

- Only use TruChoke Thinwall tubes with shotguns that are designed to accept them.
- These tubes are recommended for 2¾" Lead Shot loads ONLY.
- All XFull and Turkey constrictions are for use with Lead and HeviShot ONLY.
- Do not exceed the recommended load specifications for your shotgun.
- Avoid using these choke tubes with magnum and steel shot loads unless specified.
- Ensure that the choke tube is securely installed before firing the shotgun.
- Always wear appropriate eye and ear protection when shooting.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Installation:

- Ensure that your shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the shotgun barrel if applicable.
- Clean the threads of the barrel and the choke tube to ensure a secure fit.
- Screw the TruChoke Thinwall tube into the barrel by turning it clockwise until it is securely fastened.
- Do not overtighten the choke tube, as this may cause damage.

2. Usage:

- Load your shotgun with the appropriate ammunition as specified.
- Always check that the choke tube is properly installed before each use.
- Follow all local laws and regulations regarding shotgun use.
- After use, clean the choke tube and barrel to remove any debris or residue.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste. Instead, take them to a designated recycling or

hazardous waste facility.

- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For questions or concerns regarding the 12GAUGE TRUCHOKE THINWALL CHOKE TUBES, please refer to the contact information provided by the manufacturer or retailer where you purchased the product.

By adhering to these safety guidelines and instructions, you will help ensure a safe and enjoyable experience with your 12GAUGE TRUCHOKE THINWALL CHOKE TUBES. Thank you for choosing our product, and happy shooting!
