# Safety Instruction Guide for 12GAUGE TRUCHOKE THINWALL CHOKE TUBES

## Introduction

Thank you for choosing the 12GAUGE TRUCHOKE THINWALL CHOKE TUBES. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the choke tubes.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety rules.
- Always handle firearms and accessories with care.
- Store choke tubes in a secure location, away from children and unauthorized users.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Use only the recommended ammunition types with this product.
- If you experience any irregularities during use, stop immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Age Restrictions:** These choke tubes are intended for use by adults only. Keep them away from children.
- **Compatibility:** Ensure that the choke tubes are compatible with your shotgun model. Refer to the manufacturer's specifications for guidance.
- **Load Type:** Use TruChoke Thinwall tubes only with 2¾" Lead Shot loads. All XFull and Turkey constrictions are for use with Lead and HeviShot ONLY.
- **Inspection:** Before each use, inspect the choke tubes for cracks, dents, or other damage. Do not use damaged choke tubes.
- **Installation:** Follow the installation instructions carefully to ensure proper fit and function.
- **Cleaning:** Clean the choke tubes regularly to prevent buildup of debris and ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and the action is open.
- Select the appropriate choke tube for your shotgun model.
- Insert the choke tube into the muzzle and twist it clockwise until it is securely in place.
- Use a choke wrench if necessary to ensure a snug fit, but do not overtighten.

### 2. Usage:

- Load the shotgun with the appropriate ammunition.
- Always point the firearm in a safe direction.
- Follow all standard firearm safety practices while shooting.
- After use, remove the choke tube by twisting it counterclockwise. Clean any debris from the threads.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 12GAUGE TRUCHOKE THINWALL CHOKE TUBES, please seek assistance from a qualified firearms professional or contact the manufacturer directly.

## **Conclusion**

By following the safety guidelines and instructions outlined in this guide, you can ensure the safe and effective use of your 12GAUGE TRUCHOKE THINWALL CHOKE TUBES. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important safety instructions.
