# Safety Instructions for 12GAUGE TRUCHOKE THINWALL CHOKE TUBES

## Introduction

Thank you for choosing the 12GAUGE TRUCHOKE THINWALL CHOKE TUBES. This product is designed to enhance your shooting experience while ensuring safety and compliance with regulations. Please read this safety instruction guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your shotgun and the specific choke tube being used.
- Always handle firearms with care and follow all safety protocols.
- Use only the recommended ammunition types specified for this choke tube.
- Keep the choke tubes out of reach of children and unauthorized users.
- Regularly inspect your choke tubes for any signs of damage or wear before each use.
- In case of any malfunction or unusual behavior during use, stop using the product immediately and consult a professional.

## Specific Safety Precautions for Use

- Only use the TruChoke Thinwall tubes with compatible shotguns that are designed to accept these tubes.
- The tubes are recommended for 2 $\frac{3}{4}$ " Lead Shot loads ONLY. Do not use with other types of ammunition unless specified.
- All XFull and Turkey constrictions are for use with Lead and HeviShot ONLY. Using other types of ammunition may cause damage or injury.
- Ensure the choke tube is securely installed before use. A loose choke can lead to malfunctions.
- Avoid using the choke tubes in extreme temperatures or conditions that may affect performance.
- Do not attempt to modify or alter the choke tubes in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Remove any existing choke tube by turning it counterclockwise.
- Clean the threads of the shotgun barrel to ensure a proper fit.
- Align the TruChoke Thinwall tube with the threads and turn it clockwise until it is securely in place.
- Use a wrench if necessary, but do not overtighten, as this may damage the threads.

### 2. Usage:

- Load only the recommended 2 $\frac{3}{4}$ " Lead Shot loads into your shotgun.
- Follow all safety protocols when handling the shotgun.
- After use, remove the choke tube for cleaning and inspection.
- Store the choke tubes in a dry and safe location.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw away choke tubes in regular household waste. Check for local recycling or hazardous waste disposal options.
- If the product is recalled or deemed unsafe, follow the instructions provided by the manufacturer for

proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the 12GAUGE TRUCHOKE THINWALL CHOKE TUBES, please refer to the manufacturer's website or contact their customer support service. Always keep your purchase receipt and note the product details for reference.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your 12GAUGE TRUCHOKE THINWALL CHOKE TUBES. Thank you for your attention to safety.
