# Safety Instruction Guide for 12GAUGE INVECTOR PLUS CHOKE TUBES

## Introduction

Thank you for choosing the 12GAUGE INVECTOR PLUS CHOKE TUBES by Carlson's. This guide provides essential safety instructions to ensure the safe use of your choke tubes. Please read this guide carefully before using the product to understand the precautions necessary for safe operation.

## General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model before installation.
- Always handle choke tubes with care to avoid injury.
- Store choke tubes in a dry, cool place away from direct sunlight.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Use appropriate protective gear, such as safety glasses, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Only use the choke tubes with approved ammunition types, including magnum and steel shot loads.
- Do not use TruChoke Thinwall tubes with loads other than 2¾" Lead Shot.
- XFull and Turkey constrictions are strictly for use with Lead and HeviShot ONLY.
- Avoid using damaged or worn choke tubes, as they may lead to unsafe conditions.
- Ensure that the shotgun is unloaded when installing or removing choke tubes.
- Follow local laws and regulations regarding the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the shotgun barrel using a choke tube wrench.
- Clean the threads of the barrel and the new choke tube to remove any debris.
- Screw the new choke tube into the barrel by hand until snug, then tighten it using the choke tube wrench.
- Verify that the choke tube is securely installed before proceeding.

### 2. Usage:

- Load the shotgun according to the manufacturer's instructions and local laws.
- Always check the choke tube before shooting to ensure it is properly installed.
- Fire the shotgun in a safe environment, observing all safety protocols.
- After use, clean the choke tube and barrel to maintain performance and longevity.

## Disposal Instructions

- Dispose of used or damaged choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Check with local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or usage, please refer to the manufacturer's website or contact their customer support. Ensure that you have the product details available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 12GAUGE INVECTOR PLUS CHOKE TUBES. Thank you for prioritizing safety while using our products.
