Consumer Safety Instruction Guide for 12GAUGE INVECTOR PLUS CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE INVECTOR PLUS CHOKE TUBES. This guide provides essential safety information and instructions to ensure the safe and effective use of your choke tubes. Please read this guide carefully and follow all instructions to avoid potential hazards.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the choke tubes by following the manufacturer's instructions and safety precautions.
- **Enhanced Recalls:** Stay informed about any recalls by checking official channels and ensure you have access to remedies for any dangerous products.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when the product is used around vulnerable groups, especially children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of choke tubes may lead to accidents or injuries.
 - Using incompatible ammunition can result in malfunction or damage.
- **Avoiding Hazards:**
 - Always ensure that the choke tube is compatible with your shotgun model.
 - Use only recommended ammunition types to prevent damage and ensure safety.
 - Regularly inspect choke tubes for wear or damage before each use.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Ensure the shotgun is unloaded and the safety is engaged.
 2. Select the appropriate choke tube for your shotgun model.
 3. Using a choke wrench, carefully remove the existing choke tube if applicable.
 4. Insert the new choke tube into the barrel and tighten securely using the wrench.
 5. Ensure the choke tube is properly seated and locked in place before use.
- **Usage Instructions:**
 - Always check the choke tube before shooting to confirm it is secure.
 - Use only the recommended ammunition for the choke tube (e.g., lead shot, HeviShot).
 - Avoid using steel shot with choke constrictions that are not rated for it.
 - Do not exceed the recommended load specifications for your choke tube.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Contact local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of your 12GAUGE INVECTOR PLUS CHOKE TUBES, please refer to the manufacturer's contact information provided with your product.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your 12GAUGE INVECTOR PLUS CHOKE TUBES. Thank you for your attention to safety.
