Safety Instruction Guide for 12GAUGE REMCHOKE CHOKE TUBES CARLSONS REMCHOKE 12GA EXTRA FULL REMINGTON SS

Introduction

Thank you for choosing the 12GAUGE REMCHOKE CHOKE TUBES from CARLSONS. These choke tubes are designed to enhance your shotgun's performance. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions and information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the product manual and safety instructions before use.
- Ensure that the choke tubes are compatible with your shotgun model.
- Regularly inspect the choke tubes for signs of wear or damage.
- Keep the choke tubes out of reach of children and unauthorized users.
- Use only recommended ammunition types as specified in the product description.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Risk of injury from improper installation or use.
- Risk of damage to the shotgun if incompatible tubes are used.

• Instructions to Avoid Hazards:

- Ensure the shotgun is unloaded before installing or removing the choke tubes.
- Follow the manufacturer's instructions for installation and removal.
- Do not exceed the recommended shot loads for the choke tubes.
- Avoid using steel shot with XFull and Turkey constrictions.
- Use only lead shot for Tru™ Choke Thinwall tubes for 2¾" loads.

Instructions for Installation and Usage

• Installation:

1. Ensure the shotgun is completely unloaded.
2. Using a choke tube wrench, carefully remove the existing choke tube from the shotgun barrel.
3. Clean the threads of the barrel to remove any debris.
4. Align the new choke tube with the threads of the barrel.
5. Handtighten the choke tube until secure, then use the choke tube wrench to tighten further. Do not overtighten.

• Usage:

- Always check that the choke tube is securely installed before firing.
- Use the appropriate ammunition as specified in the product description.

- Follow all local laws and regulations regarding shotgun use and hunting.

- **Maintenance:**

- Regularly clean the choke tubes to prevent buildup of residue.
- Inspect for any signs of damage or wear before each use.
- Replace any damaged choke tubes immediately.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local waste disposal regulations.
- Do not throw away choke tubes in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact details provided with your product packaging. Ensure to have your product information ready when reaching out for support.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with confidence!
