Safety Instruction Guide for 12GAUGE REMCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE REMCHOKE CHOKE TUBES. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are of legal age and hold the necessary permits to use shotgun accessories in your region.
- Always follow local laws and regulations regarding the use of firearms and ammunition.
- Inspect the choke tubes before each use for any signs of damage or wear.
- Store the choke tubes in a safe, dry place away from children and unauthorized users.
- Use only compatible ammunition as specified in the product description.

Specific Safety Precautions for Use

- Avoid using the choke tubes with loads that exceed the manufacturer's specifications, especially with magnum and steel shot loads.
- Tru™ Choke Thinwall tubes are recommended for 2¾" Lead Shot loads ONLY.
- All XFull and Turkey constrictions are for use with Lead and HeviShot ONLY.
- Never attempt to modify the choke tubes or use them in a manner not intended by the manufacturer.
- Always wear appropriate eye and ear protection when shooting.
- If you experience any malfunctions or unusual performance, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the shotgun barrel by unscrewing it counterclockwise.
- Clean the threads of the barrel and the new choke tube to ensure proper fit.
- Insert the new choke tube into the barrel and tighten it by turning it clockwise until secure. Do not overtighten.

2. Usage:

- Load the shotgun with appropriate ammunition as per the guidelines.
- Always check the choke tube before each use to ensure it is securely installed.
- Follow safe shooting practices and be aware of your surroundings.

Disposal Instructions

- Dispose of any damaged choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste. Check for local recycling programs that accept metal products.
- If you are unsure how to dispose of the product, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's contact details provided with your purchase. It is essential to have access to assistance should you encounter any issues or have questions about safe usage.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your 12GAUGE REMCHOKE CHOKE TUBES. Always stay informed about the latest safety information and product recalls through official channels. Thank you for your attention to these important safety instructions.
