## General Safety Guidelines

- **Product Safety:** Ensure that all products are used safely and according to the instructions provided. This product complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. Follow the instructions provided in case of a recall.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the safety instructions before using the choke tubes.
- **Inspect Before Use:** Check the choke tubes for any signs of damage or wear before installation. Do not use damaged tubes.
- **Use Appropriate Loads:** Only use the recommended lead shot loads for Tru™ Choke Thinwall tubes and ensure compatibility with your shotgun.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure adult supervision when used by younger individuals.
- **Avoid Improper Use:** Do not use the choke tubes for any purpose other than that for which they are designed.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded before beginning installation.
- Remove any existing choke tube from the shotgun barrel.
- Select the appropriate choke tube for your shotgun and align it with the threads in the barrel.
- Handtighten the choke tube until secure. Do not use tools to tighten, as this may damage the threads.
- Ensure that the choke tube is properly seated before proceeding.

### 2. Usage:

- Load the shotgun with the appropriate ammunition as recommended for the choke tube.
- Always follow safe shooting practices, including wearing appropriate eye and ear protection.
- Regularly check the choke tube for any signs of wear or damage during use.

- After shooting, clean the choke tube to prevent buildup of debris and maintain performance.

## Disposal Instructions

- **Dispose Responsibly:** When the choke tubes are no longer usable, dispose of them in accordance with local regulations regarding metal waste.
- **Recycling:** Check if the materials can be recycled in your area and follow the appropriate recycling guidelines.
