Safety Instruction Guide for 12GAUGE REMCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE REMCHOKE CHOKE TUBES by CARLSONS. This product is designed to enhance the performance of your shotgun. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the choke tubes by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point (details not provided in this guide).
- **Rapid Alerts:** Be aware of fast updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the choke tubes for any signs of damage before use.
- Ensure that the choke tubes are compatible with your shotgun model.
- Use only approved ammunition types as specified in the product description.
- Avoid using the choke tubes with loads that exceed the recommended specifications.
- Keep the choke tubes clean and free of debris to ensure proper function.
- Do not modify the choke tubes in any way.
- Always follow the manufacturer's instructions for installation and removal.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Unscrew the existing choke tube from the shotgun barrel.
- Take the new choke tube and align it with the threads in the barrel.
- Carefully screw the choke tube into place until it is snug. Do not overtighten.
- Check that the choke is properly secured before use.

2. Usage:

- Load your shotgun with appropriate ammunition (12 Gauge, as specified).
- Ensure the shotgun is aimed safely before firing.
- After use, clean the choke tubes and the shotgun to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or wornout choke tubes responsibly.
- Follow local regulations for the disposal of metal products.
- Do not dispose of choke tubes in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact point provided by the retailer or manufacturer. Ensure you have your product details at hand for efficient support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 12GAUGE REMCHOKE CHOKE TUBES. Thank you for prioritizing safety in your shooting activities.
